

RESUME WORKSHOP

Please Bring a Copy of Resume
or List of Employment Dates to
Build a Resume

Benefits:

- Helps you highlight your strengths so employers see your best skills
- Makes your resume match today's hiring standards and looks professional
- Improves your chances with online applications by using the right keywords
- Turns tasks into strong skills and accomplishments employers understand
- Builds confidence so you feel ready for interviews and job fairs
- Highlight your transferable skills
- Overcome barriers like formatting, wording, or knowing what to include
- Creates a resume tailored to real job openings you want to apply for!
