Subject: **Jobs for Veterans State Grant — Standard Operating Procedures,
Revision 1**

Date: August 19, 2025

South Carolina's Jobs for Veterans State Grant (JVSG) Standard Operating Procedures (SOP) serves as a comprehensive resource for veterans' services staff. It provides operational guidance and outlines expectations for delivery of JVSG services statewide. The Department of Employment and Workforce (DEW) maintains the JVSG SOP on SCWorks.org under Workforce Resources, Policies & Guidance, Manuals section. See <https://scworks.org/workforce-system/policies-and-guidance/manuals>. This SOP is intended to be used together with the current Employment Services (ES) Manual.

All SC Works JVSG staff and ES staff are required to read and acknowledge the JVSG SOP on the staff member's SCEIS training account **no later than 30 days after the date it was assigned**.
