In partnership with DMH Individual Placement & Support Employment Program

Where: Department of Mental Health
164 Waccamaw Medical Park Drive
Conway, SC 29526

When: 4/25/2024 - 9:00am to 1:00pm

April is Second Chance month and we would like to take this time to provide individuals with their next career opportunity.

This observance helps individuals, communities, and agencies recognize the importance of reentry and their role in supporting the safe and successful reentry of adults and youth. Our hopes are that we can assist anyone in our community that's having a difficult time getting back to work due to Barriers to Employment including justice involved.
