Welcome and Opening Remarks Mr. Thomas Freeland, SWDB Chair

Mr. Thomas Freeland, State Workforce Development Board (SWDB) Chair, called the meeting to order at 11:00 a.m. A quorum was present.

Chairman Freeland welcomed guest speaker Ms. Betsy McWhite from the SC Vocational Rehabilitation Department. He also thanked everyone for participating in the High-Performing Workforce Award Ceremony during the December 11, 2025, SWDB meeting.

Approval of December 11, 2025, Meeting Minutes* Mr. Thomas Freeland

Col. Craig Currey motioned to approve the December 11, 2025, meeting minutes. The motion was seconded by Charles Brave, Jr., and SWDB unanimously voted to approve the meeting minutes.

PY’25 Interim Funding Recommendations* Ms. Pamela Jones

Ms. Pamela Jones presented the interim funding recommendation of \$680,000 for PY’25.

- *SC Works Continuous Improvement Funding – Technology - \$600,000*: Funding will be made available to Local Workforce Development Areas (LWDAs) for technology enhancements, software, and computer upgrades, prioritized according to each area’s specific needs to ensure maximum impact and effectiveness.
- *Statewide Operating Costs – \$20,000*: Increase funding for SWDB and SC Works operating costs by \$20,000 to invest in staff training and professional development to ensure the delivery of quality workforce services through the SC Works system. Total PY’25 SWDB and SC Works Statewide operating cost will be \$45,000.

**State Workforce Development Board Meeting
Tuesday, March 31, 2026, at 11:00 a.m.**

- *SC Works Security Funding – \$60,000:* Increase funding for security at SC Works centers to provide LWDAs with the total amounts requested to meet the requirements outlined in the Physical Security policy. The total PY’25 SC Works Security Funding will be \$1,060,000.

Mr. Gregory Clark motioned to approve the PY’25 interim funding recommendation of \$680,000. Mr. Charles Brave, Jr., seconded the motion. The State Workforce Development Board unanimously approved the PY’25 interim funding recommendation.

DEW Director’s Report..... Mr. William Floyd

Mr. William Floyd, Executive Director, S.C. Department of Employment and Workforce (DEW), presented the state’s employment situation, including current agency initiatives and projects, and an update from the Coordinating Council for Workforce Development (CCWD).

Director Floyd introduced Workforce Pell Grants that will be implemented by July 1, 2026. This is a federal tuition assistance program for short-term workforce training for in-demand, high-wage, or high-skill occupations.

Partner Spotlight.....SC Vocational Rehabilitation

The Partner Spotlight showcases the innovation and accomplishments of partner programs that significantly impact workforce development, enhance collaboration, and raise awareness of partner services. The 3rd quarter partner spotlight was SC Vocational Rehabilitation, presented by Ms. Betsy McWhite, Disability Program Coordinator. Ms. McWhite provided an overview of the services provided for the newly established W.R.I.G.H.T. School for Disability Education and as the Subject Matter Expert for the Policy and Internal Control Unit.

SCWOS Modernization Update Ms. Nina Staggers

The SCWOS Modernization Project, previously known as the Case Management (CM) and Labor Exchange (LX) RFP Project, began in 2023 with a feasibility study aimed at evaluating options for integrating case management systems among WIOA Core Program partners. Ms. Nina Staggers, Assistant Executive Director of Workforce Development, provided an update outlining the progress made and the next steps for the SCWOS Modernization initiative.

SWDB Member Acknowledgment Mr. Thomas Freeland

Throughout the meeting agenda, Chairman Freeland welcomed the nine (9) newly appointed SWDB Members:

- Mrs. Hope Broadway, President, Palmetto HR Business Partners, LLC.
- Mr. Corey Epps, Director of HR Production, Scout Motors
- Ms. Nancy Foster, Lower Savannah Local Workforce Development Board; Founder and CEO, Foster & Company Real Estate

**State Workforce Development Board Meeting
Tuesday, March 31, 2026, at 11:00 a.m.**

- Mr. Stephen Gilchrest, Chairman, South Carolina African American Chamber of Commerce, and Commissioner of the US Commission on Civil Rights
- Ms. Lelia King, Founding Executive Director, Build Carolina
- Ms. Jennifer Moore, VP of Community Impact, United Way of the Midlands
- Mr. Kevin Pak, Chair of the Lowcountry Local Workforce Development Board; Technology Director, Paknet Technologies, LLC.
- Mr. Matthew Pollard, Senior Brokerage Associate, Colliers
- Ms. April Simpkins, President, Paragon Strategy Partners

Chairman Freeland recognized Mr. Cliff Bourke, Mr. Jay Holloway, Mr. Michael Sexton, and Mr. Greg Tinnell for their contributions to SWDB and for serving a combined total of 52 years as members of the State Workforce Development Board. These members received a plaque presented by the SWDB Chair and Governor Henry D. McMaster.

Other Business/Adjourn.....Mr. Thomas Freeland

The SWDB Onboarding and Training process has been updated to utilize the Learning Management System. Members were advised not to delete the email from SCWorkstraining@noverant.com with the subject line “Noverant LMS Welcome!” Members who did not receive the email or have questions were instructed to email swdb@dew.sc.gov.

Following the Q3 meeting, members received a survey to indicate their availability for session one of the SWDB Member Onboarding and Training that will be facilitated in person. All members are welcome to attend.

Chairman Freeland reminded SWDB members that the next full board meeting will be held on Thursday, June 18, 2026, at 11:00 a.m. in the C. Lem Harper Building and encouraged in-person attendance.

The meeting adjourned at 12:19 p.m.

Subject: Reallocation or Adjustment of SWDB Approved Funding

Issuance Date: DATE

Effective Date: DATE

Purpose: To provide guidance on the reallocation or adjustment of State Workforce Development Board (SWDB)-approved funding by the Department of Employment and Workforce (DEW) staff.

References:

- Workforce Innovation and Opportunity Act (WIOA) §§ 101(d); 127(b)(1)(C); 128(a); 129(b)(3); 132(b)(1)(B); 132(b)(2)(B); 134(a)(3)(B)
- 20 CFR Part 682; 20 CFR Part 683, Subpart B; 20 CFR Part 679
- South Carolina WIOA Combined State Plan for 2024-2027
- SWDB Strategic Plan Priorities for 2024-2027

Background: Statewide employment and training activities are supported by funds reserved by the Governor under WIOA section 128(a). Funds reserved by the Governor for statewide workforce investment activities may be combined and used for any of the activities authorized in WIOA section 129(b) or 134(a), regardless of whether the funds were allotted through the WIOA Title I Adult, Dislocated Worker, or Youth funding streams.

The SWDB assists the Governor in the review of statewide policies, of statewide programs, and of recommendations on actions that should be taken to align workforce development programs in a manner that supports a comprehensive and streamlined workforce development system. This, in turn, assists in the development and continuous improvement of the workforce development system in South Carolina.

The SWDB retains 10% of the funds reserved by the Governor, set aside to incubate promising workforce development, education, and training models. Funding proposals are developed by DEW leadership staff and key stakeholders, based on the priorities identified in the WIOA State Plan and SWDB priorities. Proposals are presented to the SWDB for review, discussion, and approval. If the implementation costs exceed the requested funding allotment, requests for the necessary additional funds must be presented for approval at the following SWDB quarterly meeting.

This additional time requirement slows, or even stops, ongoing projects until the next funding request can be approved at a SWDB quarterly meeting.

Policy: In an effort to support ongoing SWDB projects and prevent interruptions in implementation of board directives, DEW may expend up to 10% above the approved amount for an ongoing board approved project without approval from the board. When these situations occur, DEW will inform the chairperson of the SWDB.

Additionally, the use of Governor's Reserve funds under \$10,000 does not require approval from the board. DEW may instead inform the SWDB chairperson of such funding requirements to assist in the progression of statewide employment and training activities.

The reallocation or adjustment of funds must follow all necessary, internal DEW approval practices and guidelines.

DEW will report on, give justification for, and answer any questions on all funding reallocations or adjustments to the SWDB and relevant SWDB committees. The full SWDB will receive an update on the reallocation or adjustment of funding at the quarterly meeting.

Action: Please ensure that all appropriate staff receive and understand this policy.

Inquiries: Questions may be directed to WorkforcePolicy@dew.sc.gov.

To: Local Workforce Area Signatory Officials
Local Workforce Area Board Chairs
Local Workforce Area Administrators
DEW Area Directors
DEW Regional Managers

Subject: **Integrated Business Services Team**

Issuance Date: DATE

Effective Date: DATE

Purpose: To provide guidance on the requirements for the Integrated Business Services Team (IBST) within each Local Workforce Development Area (LWDA).

References:

- Workforce Innovation and Opportunity Act, Public Law 113-128, §§ 107(d); 116; 121(b)(1); 134
- 20 CFR §§ 678.430-440; 20 CFR § 679.370; 20 CFR § 680.140
- Training and Employment Guidance Letters (TEGLs) 19-16; 10-16, Change 1; 07-22; 04-23; 21-22; 10-23; 05-25
- State Instruction Letters (SILs) 22-01; 24-01, Change 1; 24-02, Change 1; 24-03; 25-05, 25-08
- Combined Center Operations and Business Engagement (COBE) Plan Memorandum

Background: The Workforce Innovation and Opportunity Act (WIOA) requires Local Workforce Development Boards (LWDBs) to lead efforts to engage with a diverse range of employers and with entities in the region. This involves the promotion of business representation on the LWDB; the development of effective connections with employers in the region to support employer utilization of the local workforce development system, and to support local workforce investment activities; the assurance that those activities meet the needs of employers and support regional economic growth by enhancing communication, coordination, and collaboration among employers, economic development entities, and service providers; and the development and implementation of proven or promising strategies for meeting the employment and skill needs of

workers and employers, that provide the skilled workforce needed by employers in the region, and that expand employment and career advancement opportunities for workforce development system participants in in-demand industry sectors or occupations.

Policy: Each LWDB must create an IBST, responsible for establishing and developing relationships and networks with large and small employers, employer associations, or other such organizations within the LWDA. The IBST assists businesses in developing the long-term strength of their workforce by considering the specific needs of the business, as expressed by the employer.

IBST Structure and Function

The IBST is a coordinated, cross-partner, and collaborative effort to develop, maintain, and grow business relationships through the SC Works system. Establishing a unified approach helps reduce redundant outreach and engagement to businesses, improves productivity, and drives IBST members to engage with new businesses. The IBSTs must include the following WIOA partners:

1. WIOA Title I Adult, Dislocated Worker, and Youth
2. WIOA Title II Adult Education
3. WIOA Title III Wagner-Peyser Employment Services
4. WIOA Title IV Vocational Rehabilitation
5. WIOA Title IV Commission for the Blind
6. South Carolina Department of Social Services

LWDBs may include additional partners in the IBST who play a significant role in workforce investment activities within the LWDA. LWDBs may set appropriate expectations for partners on the IBST within local policy. Partners may include more than one person on the IBST and/or place the same individual on IBSTs in multiple LWDA. Each partner will designate the staff member(s) to be their IBST representative.

The responsibilities of the IBST include, but is not limited to, the following:

- Conduct joint employer outreach in the LWDA to provide the business services outlined in this policy or to provide a referral to services
- Assist businesses in becoming eligible for employer services in SC Works Online Services (SCWOS), such as labor exchange and recruiting functionalities, through the Department of Employment and Workforce (DEW)
- Develop sector-based employer strategies
- Act as a liaison between businesses not currently in the SC Works system and industry partners to create a network
- Ensure compliance with all Federal, state, and local policies and guidance surrounding services to business, including the LWDA COBE Plan
- Maintain stakeholder engagement in the development of the LWDA COBE Plan

- Provide information to businesses not yet in the SC Works system and updated information to businesses already in the SC Works system
- Review of IBST activities and performance, with the implementation of improvement strategies as needed

IBST Meetings. To carry out the responsibilities listed above, **the IBST must meet at least quarterly** within each program year. This meeting must include discussion of the following:

- Each IBST partner's method to engage with businesses, employers, employer associations, or other such organizations
- Services provided to businesses by each partner, as well as IBST strategies, so that all IBST members are well equipped to refer businesses to the appropriate partner and explain the services
- Any company locating to the area, leaving the area, expanding or contracting within the area, and the occupations/industries expected to expand or decline in the near future
- Coordination of layoff aversion and Rapid Response activities in the LWDA
- Creation and completion of IBST Action Items that are achievable, effective, and intentional for the next meeting. These items include, but are not limited to:
 - Research of local employers not currently a part of the SC Works system as well as activities that employers in the SC Works system would be interested in
 - Engagement with local employers who are not in the SC Works system
 - Communication by each IBST partner of their engagement with employers in the previous quarter
 - Alignment of IBST activities with LWDB strategic plans and priorities
- Any further ideas that would assist in the goal of providing business services in the LWDA

IBST Coordinator. The IBST must vote annually on a WIOA core partner to serve as the IBST Coordinator based on which program is available and interested. The partner then designates a staff member to step into the role; this may be the same individual designated to represent the partner on the IBST. LWDBs may set accountability expectations for the IBST Coordinator within local policy. The IBST Coordinator must ensure employer engagement is system-wide and coordinated and cannot operate independently of the other required partners.

The responsibilities of the IBST Coordinator include:

- Scheduling and facilitating the IBST meetings
- Publishing the schedule for upcoming year's IBST meetings so that all business services programs may attend and remain informed on business activities in the LWDA
- Ensuring the meetings include a discussion of the obligation set out in this policy
- Keeping meeting minutes that overview the discussion and track the IBST Action Items
- Coordinating outreach to employers by the IBST and organizing joint employer visits

NOTE: The IBST Coordinator does not have the authority to supervise another partner's staff, control another partner's program funds, or require participation in activities outside another partner's program rules.

The IBST may also have multiple coordinators, a coordinator and an assistant coordinator, or any other structure they deem beneficial to ensure accountability. The IBST is encouraged to exhaust all partners in the IBST before returning to any partner to serve as the coordinator.

Single Point of Contact. This does not refer to a single point of contact for business services in the local area; it refers to a single point of contact as it pertains to the IBST. Strategic, coordinated outreach to businesses should be led by the IBST partner that has the best relationship with the employer. The single point of contact succeeds through collaboration, not through any direct control over any other partner. This partner is responsible for the management of specific client relationships and customer satisfaction by simplifying, building awareness, and seamlessly bringing partners to the table as needed to meet each client's needs. The remaining members of the IBST may offer support and assistance where needed or desired, with communication expectations outlined in local policy.

IBST Business Services

The services provided to business are given based on the expressed needs of the business. The IBST must create a portfolio of solutions with action plans and accountability to businesses; then the IBST single point of contact uses the full services of the IBST to develop flexible, customized solutions, and organize its delivery to each business.

At a minimum the following services must be provided:

- Access to labor market information
- Recruitment, screening, and referral of qualified applicants
- Access to economic development information and resources
- Posting job vacancies
- Offering customized job training options
- Connecting firms to SC Works information
- Technical assistance on assessment, recruitment, and human resource strategies
- Advocating for employers in key economic sectors
- Assistance with major layoffs and plant closures

Fee-for-Service

No fee may be charged for the career services that must be made available to local employers, specifically labor exchange activities and labor market information described in 20 CFR §§

678.430(a)(4)(ii) and (a)(6). A fee-for-service may not be charged for recruitment and other business services on behalf of employers, including referrals to specialized business services. Additionally, a fee may not be charged for the provision of workforce and labor market information.

NOTE: General job fairs, open to all employers in the region, fall within labor exchange services and therefore are not included within the list of services for which a fee may be charged. SC Works services are to remain a no-cost option for employers regardless of the type of service requested; the SC Works logo/brand cannot be used to provide or promote fee-for-service activities.

Although WIOA allows the customized employer-related services described in 20 CFR §§ 678.435(b) and (c) to be provided on a fee-for-service basis, there is no requirement that a fee must be charged to employers. Services provided under 20 CFR § 678.435(c) may be provided through effective business intermediaries working in conjunction with the LWDB, either on a fee-for-service basis or through leveraging of economic development, philanthropic, and other public and private resources in a manner determined by the LWDB. When a LWDB provides business services on a fee-for-service basis, they must examine the services to be provided compared with the assets and resources available within the SC Works centers in their LWDA and through the SC Works partners to determine an appropriate cost structure for services, if any.

Any fees earned for customized employer-related services are considered program income and must be expended in accordance with the appropriate partner program's authorizing statute, implementing regulations, and Federal cost principles in the Uniform Guidance.

Effectiveness in Serving Employers

Effectiveness in Serving Employer's (ESE) can be evaluated via several methods. The Department of Labor (DOL) has identified the required reporting measure as a participant-based measure: Employed with the Same Employer in the 2nd and 4th Quarter after Exit. To effectively evaluate and measure employer service delivery and outcome, DEW continues to utilize the measures reported during DOL's ESE pilot phase. See SIL 25-08, *Employer Verification and Management*, for more information on ESE performance requirements.

Equal Opportunity

WIOA § 188 prohibits discrimination on the basis of race, color, religion, sex, national origin, age, disability, or political affiliation or belief, or, for beneficiaries, applicants, and participants only, on the basis of citizenship status or participation in a WIOA Title I-financially assisted program or activity. See the most updated SILs on equal opportunity (EO) requirements for more information.

Action: Please ensure that all appropriate staff receive and understand this policy.

DRAFT

STATE INSTRUCTION NUMBER 24-02, Change 1

To: Local Workforce Area Signatory Officials
Local Workforce Area Board Chairs
Local Workforce Area Administrators

Subject: **SC Works Customer Satisfaction Surveys**

Issuance Date: DATE

Effective Date: DATE

Purpose: To provide standardized guidance for statewide customer satisfaction surveys. This guidance replaces State Instruction Letter 24-02.

References:

- Workforce Innovation and Opportunity Act, Public Law 113-128 § 116(e)(2)
- 20 CFR § 678.800
- Training and Employment Guidance Letter (TEGL) 5-18
- State Instruction Letters (SILs) 24-01, Change 1; Business Services
- Combined Center Operations and Business Engagement Plan (COBE Plan) Memorandum

Revision 1: The customer satisfaction feedback required for the Annual Report will now be disseminated through SC Works Online Services (SCWOS).

Background: The Workforce Innovation and Opportunity Act (WIOA) Annual Report requires states to describe their approach to customer satisfaction, which may include information used for one-stop center certification, in accordance with 20 CFR § 678.800. Additionally, the SC Works certification standards require LWDAs to have a customer feedback system in place that assesses jobseeker and employer customer satisfaction.

In 2023, the State Workforce Development Board (SWDB) conducted the Secret Shopper Pilot Program to assess the customer experience when interacting with the SC Works system. In order to best capture the jobseeker and employer customer experience, customer satisfaction survey questions were developed and recommended for implementation.

Policy: The Department of Employment and Workforce (DEW) conducts customer satisfaction evaluations for both jobseekers and employers through surveys distributed by SCWOS using the users' preferred communication setting (i.e. through email or via their dashboard). The administration of these surveys captures ongoing feedback from jobseekers and employers in accordance with the SC Works centers Certification Standards requirements. These questions are attached to this guidance for ease of access, should a review be desired.

Local workforce development areas (LWDAs) must ensure that all customers who receive services through the SC Works delivery system are entered into SCWOS to ensure they are able to receive the customer satisfaction survey. The survey may be provided in a language other than English or alternative format, as required under applicable laws and regulations.

Local Workforce Development Boards (LWDBs) may conduct additional, LWDA-specific surveys to support continuous improvement and support their strategic direction. These may be distributed in the method preferred by the LWDA, including on paper, by phone, or virtually. Should these be administered, they are not required to be reported to the State.

The state-level survey data are collected by DEW, through SCWOS, for the WIOA Annual Report. DEW will also ensure that the LWDBs receive the data applicable to their LWDAs for compliance with the customer feedback requirements within the COBE Plan.

Action: Please ensure that all appropriate staff receive and understand this policy.

Inquiries: Questions may be directed to WorkforcePolicy@dew.sc.gov.

- The Management, Jobseeker Services, and Business Services Standards attached to the policy have been updated in accordance with updated Federal and State guidance
- Submission date requirement has been updated
- The LWDB must submit a completed version of the three standards attached to the policy
- The language has been revised for clarity and ease of use

Background: The Workforce Innovation and Opportunity Act (WIOA) requires that the State Workforce Development Board (SWDB), in consultation with chief elected officials and Local Workforce Development Boards (LWDBs), establish objective criteria and procedures for LWDBs to use when certifying one-stop centers. The criteria must be used to evaluate the one-stop centers and one-stop delivery system for effectiveness, including customer satisfaction, physical

and programmatic accessibility, and continuous improvement. The SWDB, in consultation with chief elected officials and LWDBs, must review and update the criteria every two years as part of the review and modification of the State Plan.

LWDBs must assess, at least every three years, the effectiveness, physical and programmatic accessibility, and continuous improvement of one-stop centers and one-stop delivery systems using the criteria and procedures developed by the SWDB. LWDBs must review and update the criteria every two years as part of the Local Plan update process. Certification is required for one-stop centers to be eligible to use infrastructure funds in the State funding mechanism as described in 20 CFR § 678.730.

Policy: LWDBs must develop objective policies and procedures to assess the Comprehensive and Affiliate SC Works centers and the SC Works service delivery system in their LWDA. To be certified, the SC Works centers, and the SC Works service delivery system, must meet or exceed the baseline measures outlined in the Management, Jobseeker Services, and Business Services Standards attached to this policy.

The LWDA must be able to provide supporting documentation for each baseline measure of the certification standards, when requested. The SC Works Center Operator is responsible for coordinating and facilitating the implementation of the certification standards.

Evaluations for effectiveness must include how well the SC Works center integrates available services for jobseekers and businesses, meets the workforce development needs of participants and the employment needs of local employers, operates in a cost-efficient manner, coordinates services among the SC Works partner programs, and provides access to partner program services to the maximum extent practicable, including providing services outside of regular business hours where there is a workforce need, as identified by the LWDB. These evaluations must take into account feedback from SC Works customers, and apply if necessary; include evaluations of how well the SC Works center ensures equal opportunity (EO) for individuals with disabilities to participate in or benefit from SC Works center services; and include criteria evaluating how well the SC Works centers and SC Works delivery system takes action to comply with disability-related regulations implementing WIOA § 188.

Evaluation methods include, but are not limited to, the following:

- Interviews with staff, management, jobseekers, employers, and partners, such as economic development and education entities
- Questionnaires and/or surveys of jobseekers, employers, and staff
- Document reviews including, but not limited to:
 - The Integrated Business Services Team (IBST) and LWDB meeting minutes
 - SC Works center staff training and meeting agendas

- SC Works center schedules, sign-in sheets, referral forms, and posted signage
- EO monitoring documentation and LWDB policies
- The LWDA Memoranda of Understanding (MOU)
- Combined Center Operations and Business Engagement Plan (COBE Plan)
- Observations and inspections of SC Works center lobbies and triage practices, including secret shopping activities
- Use of SC Works Online Services (SCWOS), to include reports, the case management system, and the Customer Relationship Management (CRM) module

Each LWDB must submit the following to Workforce Support at WorkforceSupport@dew.sc.gov no later than June 30, 2027:

- A completed version of the Management, Jobseeker Services, and Business Services Standards attached to this policy
- A summary of the assessment process and evaluation methods
- Documentation of LWDB certification of the SC Works centers and SC Works service delivery system (e.g., meeting minutes, electronic votes)

Action: Ensure that appropriate staff, partners, and service providers receive and understand this policy.

Inquiries: Questions may be directed to WorkforcePolicy@dew.sc.gov.
