AGENDA

- I. Welcome and Opening Remarks Mr. Thomas Freeland, SWDB Chair
- II. Director's Report Mr. William Floyd
- III. Approval of Minutes from March 28, 2024*Mr. Freeland
- IV. SC Works Certification Standards* Mr. Adam Paige
- V. High-Performance Board Incentive*Ms. Pamela Jones
- VI. Shared Case Management Phase II UpdateGartner Consulting, Inc.
- VII. SWDB Member Recognition.....Mr. Freeland
- VIII. Other Business/Adjourn.....Mr. Freeland

*Denotes voting item

4th Quarter SWDB Progress Report

April 1 – June 30, 2024

Board Development Committee

During the Q4 committee meeting, the Board Development Committee reviewed the Committee's PY'23 priorities activities and status:

- *Coordinate Diversity, Equity, and Inclusion Training:*
 - SWDB members participated in the DE&I training on October 5, 2023. This priority was carried over from PY'22.
- *Develop an initiative to recognize High-Performing Local Workforce Development Board:*
 - The Committee developed the High-Performance Board Incentive Award to recognize LWDB(s) that achieve required performance levels and whose innovative practices align with State Board priorities.
 - During the Q4 meeting, the Committee reviewed the criteria for the Incentive Award, voting unanimously for the incentive to be awarded annually and advancing the High-Performance Incentive Award to the Executive Committee.
- *Support and Encourage Participation in 2023 Workforce Development Month Activities and the Workforce Development Symposium:*
 - The Symposium had record attendance. During the Symposium, the SWDB awarded 12 Workforce Hero Awards. SWDB members participated in the voting process for the SC@Work: Photo Contest winner(s).
- *Distribute SWDB Satisfaction Survey:*
 - The SWDB Satisfaction and Board Development Survey will be distributed to Local Workforce Development Board (LWDB) members to gather feedback and input on strategies to improve communication and collaboration between the state and local boards. The final survey will be presented during the Executive Committee and distributed to all SWDB and LWDB members on June 7, 2024.

Committee on Workforce Innovation

- Mr. Tom Allen, Chief Technology Officer of the Office of Regulatory Staff, reviewed the SC Digital Equity Plan. The plan's five goals for digital opportunity in SC are Broadband Affordability, Device Availability and Affordability, Digital Literacy, Online Privacy and Cybersecurity, and Online Accessibility and Inclusion for Everyone.
- During the Q4 committee meeting, the Committee reviewed its PY'23 priorities and status:
 - *Shared Case Management System to Support Intake, Referral, and Co-enrollment:*

- SWDB allocated \$250,000 for a feasibility study to assess an integrated case management system across WIOA Core Program Partners. Results were shared during the Q2 full SWDB meeting. Additionally, \$69,200 was allocated for Phase II in the third quarter of PY'23 to develop the scope of work for the Case Management and Labor Exchange solicitation and to conduct market engagement.
 - *Investments for In-Demand Training:*
 - SWDB has allocated \$2 million to expand Incumbent Worker Training, allowing the workforce system to provide training based on the needs of participants and employers. Local workforce areas received \$1,999,888 in training grant awards.
 - *Career Exploration and Training through Virtual Reality:*
 - Identifying opportunities to expand the utilization of virtual reality for training and career explanation is an ongoing priority. One example identified during the program year was The EmpowerU: Futures Unlocked Model, in which youth at the Department of Juvenile Justice (DJJ) utilize VR for career exploration.

SC Works Management Committee

- Mr. Adam Paige, Director of Workforce Initiatives, presented the SC Works Certification Standards revisions and public comments received. The SC Works Management Committee voted unanimously to accept the proposed revisions to the SC Works Certification Standards, advancing this item to the Executive Committee.
- During the Q4 committee meeting, the Committee reviewed the PY'23 priorities activities and status:
 - *SC Works Customer Service (Secret Shopper):*
 - The SC Works Secret Shopper Initiative was deployed during PY'22 to increase the use of the SC Works system by businesses and job seekers. The EvalGroup shared the findings during the first quarter's Executive Committee meeting. The findings and recommendations were incorporated into the SC Works Certification Standards.
 - *SC Soft Skills Certificate:*
 - The SC Professional Skills Certificate, developed in partnership with WIN Learning, will be awarded to individuals who successfully complete and pass the WIN Essential Soft Skills and Digital Literacy Assessments.
 - In October 2023, the WIN Career Readiness Initiative was launched to increase employer interest in recognizing the SC Professional Skills Certificate as a value-added asset for job applicants.
 - *Investments for In-Demand Training:*

- The SWDB has allocated \$2 million to expand Incumbent Worker Training, allowing the workforce system to provide training based on the needs of participants and employers. Local workforce areas received \$1,999,888 in training grant awards.
- *SC Works/Staff Training Learning Management System:*
 - The Learning Management System (LMS) will provide a centralized location for training content and include functionality to track the completion of required training. Implementation of the LMS is expected to occur during the current calendar year.

Executive Committee

- Mr. Adam Paige reviewed the recommended updates to the SC Works Certification Standards. The Executive Committee voted unanimously to approve the changes, advancing the Standards to the full board for final approval.
- Ms. Pamela Jones presented the criteria for the High-Performance Board Incentive Award created by the Board Development Committee. The Executive Committee unanimously approved the creation of the award, moving it to the full board for final approval.
- Ms. Jones reviewed the expanded SWDB/LWDB survey, which was crafted to increase engagement between the SWDB and LWDBs. The final survey was distributed to SWDB and LWDB members on Friday, June 7, 2024.

MEMBERS ABSENT:

Mr. Cliff Bourke, Jr.
Dr. Tim Hardee
Ms. Felicia Johnson
Rep. Randy Ligon

Welcome and Opening Remarks **Mr. Thomas Freeland, SWDB Chair**
Chairman Thomas Freeland called the meeting to order at 11:00 a.m. A quorum was present.

Chairman Freeland encouraged SWDB members and guests to review the 3rd Quarter Progress Report in the meeting packet.

Approval of Minutes from December 12, 2023* **Mr. Freeland**
Mr. Charles Brave, Jr. motioned to approve the December 12, 2023, meeting minutes. Col. Craig Currey seconded the motion. The SWDB unanimously voted to approve the meeting minutes.

PY’23 Interim Funding Recommendation* **Ms. Nina Staggers**
Ms. Nina Staggers, Assistant Executive Director of Workforce Development, presented an interim funding recommendation of \$84,500 for PY’23.

- *2024 Workforce Development Symposium Sponsorship Fee - \$15,000:* The funding will be used for the 2024 Workforce Development Symposium sponsorship fee. The Symposium will be held on September 12, 2024, at the Columbia Metropolitan Convention Center.
- *Phase II Implementation of the Shared Case Management System Project - \$69,200:* In November of 2023, Gartner Consulting completed the feasibility study to evaluate options for an integrated case management system across WIOA Core Program partners, resulting in a phased plan to modernize the State’s case management and labor exchange systems. Phase II of the Shared Case Management System Project involves developing the scope of work for vendor/product solicitation. The funding requested will support the preparation of the scope of work and functional requirements, including interoperability across programs and partners, for the case management and

**Governor’s State Workforce Development Board

labor exchange solicitation and support for market engagement. Phase II will be completed by the end of the program year.

Mr. Gregory Tinnell motioned to approve the PY’23 interim funding recommendations. Mr. John Uprichard seconded the motion, and the committee unanimously approved the funding recommendation.

2024 WIOA Combined State Plan*Ms. Staggers

The Workforce Innovation and Opportunity Act (WIOA) requires each state to submit a strategic plan for the workforce system every four years. Ms. Staggers provided an overview of the SC 2024 WIOA Combined State Plan, outlining the plan’s vision, goals, and strategies.

South Carolina submits a Combined State Plan divided into two content areas: Strategic Planning Elements and Operational Planning Elements. The plan covers 11 programs, including six WIOA Core Programs plus TANF, SNAP E&T, JVSG, TAA, and the Senior Community Service Employment Program.

The WIOA State Plan adopted the vision and mission outlined in the draft of the Unified State Plan. The plan identified four objectives and strategies aligned with the themes of alignment and coordination, access to skills and credentials of value, removing barriers or obstacles to employment, and leveraging historic infrastructure investments:

- Objective 1: Develop and create an effective customer-driven workforce system through the alignment of programs and policies, the use of leading-edge technology, and high-quality staff.
- Objective 2: Prepare jobseekers for high-wage, high-growth, high-demand, high-mobility/retention (4H) occupations (now referred to as priority occupations) through relevant training and skills acquisition and match jobseekers to open employer positions.
- Objective 3: Improve the education and workforce infrastructure network to decrease barriers to work in order to improve recruitment and retention of workers, which is necessary to maintain economic development competitiveness.
- Objective 4: Create alignment between the workforce development system and the state agencies and organizations directing implementation of the IIJA, IRA, and CHIPS and Science Act funding.

Ms. Staggers reviewed the comments received from 11 organizations during the public comment period from February 13 through March 20, 2024. A copy of the public comments and responses is available in the SWDB Portal.

The WIOA Combined State Plan is due by April 5, 2024. Implementation will begin in July 2024.

**Governor’s State Workforce Development Board
March 28, 2024, State Workforce Development Board Meeting Minutes**

Mr. Charles Brave, Jr. motioned to approve the SC 2024 WIOA State Plan. Ms. Valerie Richardson seconded the motion, and the SWDB unanimously approved the SC 2024 WIOA State Plan.

Director’s Report Mr. William Floyd

Mr. William Floyd, Executive Director, SC Department of Employment and Workforce, presented the state’s employment situation, including employment rates and current agency projects. His presentation covered the following points:

- As of February 2024, 2,396,234 individuals were employed in South Carolina. The unemployment rate for February was 3.1%, which is significantly lower than surrounding states and the national unemployment rate.
- South Carolina’s Labor Force Participation Rate is 57.1%, a decrease of 0.1% from January 2024.

Mr. Floyd provided an update on DEW’s ongoing rural initiative to ensure DEW and SC Works services are accessible to job seekers in Tier III and IV counties and underserved areas. The SC@Work Rural Connections Initiative is in Phase II of this initiative focusing on outreach with the introduction of the Rural Outreach Team, led by Rural Initiatives Manager Charles Myers. The state’s four workforce regions have dedicated Rural Outreach Coordinators and Specialists, ensuring that the SC Works Career Coach effectively serves high-priority unemployed populations. A second SC Works Career Coach is in procurement to increase its outreach capability.

Through Act 67, the Statewide Education and Workforce Development Act, 12 Regional Workforce Advisors (RWAs) transitioned from the S.C. Department of Commerce to DEW. RWAs are connection points between students, the education system, and employers, participating in job fairs, career exploration, and employer outreach.

Mr. Floyd noted DEW’s current and upcoming initiatives beginning in April with Second Chance Month, introducing the Second Chance Initiative and DEW’s collaboration with the South Carolina Department of Corrections to help returning citizens learn specific trades or skills prevalent in high-need occupations. Other upcoming initiatives are Graduation Month, Workforce Development Month, Disability and Manufacturing Month in October, and Veterans Month.

Legislative Update.....Ms. Ellen Andrews-Morgan

Ms. Ellen Andrews-Morgan, Director of Governmental Affairs, provided a legislative update highlighting relevant workforce, education, and economic development activity.

Ms. Andrews-Morgan noted that the General Assembly created two workforce-related committees: the Special Joint Committee to Study Childcare to address childcare availability and affordability, Chaired by SWDB member, Senator Ross Turner and Representative Shannon Erickson, and the House Committee on Artificial Intelligence, Cybersecurity and Cyber Crimes. The FY 2024-2025 budget includes tuition grants, SC WINS (Workforce Industry Needs

**Governor’s State Workforce Development Board
March 28, 2024, State Workforce Development Board Meeting Minutes**

Scholarships), port expansion, and a systemic review of the state’s 33 public institutions of higher education.

Other proposed legislation includes:

- *Read to Succeed Act No. 114 (S. 418)* – Amendments to reinforce “the Science of Reading” emphasizing retaining lower-performing students in elementary grade levels.
- *SC Nexus for Advanced Resilient Energy* – This bill creates the SC Nexus office within the Department of Commerce to facilitate and implement the SC Nexus Plan for Global Leadership in Advanced Resilient Energy.
- *Computer Science Education Initiative Act (H. 4702)* – This bill creates a statewide Computer Science Education plan to expand and enhance computer science education in public high schools.
- *South Carolina STEM Opportunity Act (H. 4703)* - Establish the South Carolina Science, Technology, Engineering, and Mathematics (STEM) Coalition, Chaired by Director William Floyd.
- *Technical College Credits for Veterans (H. 5105)* - Directs the State Board for Technical and Comprehensive Education to adopt a policy that recognizes and awards credentials and college credit for courses and experiences completed in the military.
- *Unemployment Insurance Indexing (H. 4710)* – Sets maximum duration of unemployment insurance benefits between 12 and 20 weeks.
- *Apprenticeship Credit (S. 557)* – Increases the amount of Apprenticeship Income Tax Credit to \$1,000 or the cost of the apprenticeship.

Other Business/Adjourn.....Mr. Freeland

Chairman Freeland advised members and guests that Dr. Windsor Sherrill will present ‘Training the Workforce of Tomorrow and Investing in the PEOPLE of South Carolina’ at the 2024 Tire Conference on April 23, 2024. He also reminded members that the next SWDB meeting is scheduled for June 25, 2024, at 11:00 a.m.

SWDB members were invited to join the Midlands SC Works Center Tour following the adjournment of the meeting.

The meeting adjourned at 12:38 p.m.

Executive Director

To: Local Workforce Area Signatory Officials
Local Workforce Area Board Chairs
Local Workforce Area Administrators

From: State Workforce Development Board

Subject: **High-Performance Board Incentive Award**

Date: June xx, 2024

The Workforce Innovation and Opportunity Act (WIOA) authorizes the use of funds reserved by the Governor for statewide employment and training activities. The State Workforce Development Board (SWDB) directs the investment of these funds in alignment with state priorities. To recognize and incentivize Local Workforce Development Boards (LWDB) for their leadership and support of the state's workforce system through innovative practices, the SWDB has approved the development of a High-Performance Board Incentive Award.

A high-performing LWDB provides leadership to the local workforce development system, oversees opportunities to strengthen and build the local area's workforce and economic capacity, and leads alignment with the state's education and workforce systems to meet the needs of employers and job seekers.

INCENTIVE AWARD ELIGIBILITY

To be eligible, the LWDB must:

- ✓ Meet Federal Requirements, WIOA Primary Indicators of Performance, and State-Specific Performance Measures.
- ✓ Promote regionalism through the use of multi-area strategies.
- ✓ Employ innovative practices aligning with one or more of the State Plan Goals/Objectives:
 - Develop and create an effective customer-driven workforce system through alignment of programs and policies, the use of leading-edge technology, and high-quality staff.
 - Prepare job seekers for high-wage, high-growth, high-demand, and high-mobility/retention (4H) occupations through relevant

- training and skills acquisition, and match job seekers to open employer positions.
- Improve the education and workforce infrastructure network by decreasing obstacles to work in order to improve recruitment and retention of workers, which is necessary to maintain economic development competitiveness.

Innovative practices or initiatives may be identified by the following criteria:

Initiative is, or will be, implemented in partnership with other education, workforce, economic development, social service, or non-profit entities.	The lead entity is a LWDB or a LWDB’s service provider.
Initiative focuses on creating talent pipelines in high-growth, high-demand industries.	
Initiative targets priority populations and/or underserved communities.	The LWDB is willing to assist other LWDBs or entities with implementing the promising practice.
Initiative met or exceeded target outcomes or is on track to do so.	

APPLICATION AND EVALUATION

Application instructions will be sent to LWDA’s at the end of Program Year 2024.

High-Performance Board Incentive Award(s) will be provided to the selected area(s) through a reimbursement grant. The LWDBs must complete all activities within a period of performance not to exceed 12 months from the date of award. **This deadline will not be extended.**

INCENTIVE PAYMENT INFORMATION

During Program Year 2025, LWDBs who meet specific requirements will receive at least \$50,000 in High-Performance Board Incentive Awards based on their Program Year 2024 activities.

Questions may be directed to SWDB@dew.sc.gov.

SC Certification Standards Updates: Program Year 2024

Presentation Overview

- **Recap of Timeline**
- **Management Standards Revisions**
- **Business Standards Revisions**
- **Job Seeker Standards Revisions**
- **Comments received during Comment Period**
- **Summary**
- **Next Steps**

Recap of Timeline

Timeframe	Activity
January – March 2024	DEW Staff reviewed the Program Year 2021 SC Works Certification Standards to identify potential opportunities to update the current state guidance.
April 2024	The revised Certification Standards were distributed for comment to the Local Workforce Development Areas from April 1 st – April 8 th , 2024.
May 2024	The revised Certification Standards and comments received will be presented to the SC Works Management Committee for consideration to advance to the Executive Committee.

Management Standards: Revisions

First Revision

Current Language: The LWDA has a current SC Works Operational Plan.

Proposed Revision: The LWDA has a current Combined Operational and Business Engagement (COBE) Plan.

Second Revision

Current Language: Providing functional oversight to all staff, within the confines of each program and agency requirements and goals.

Proposed Revision: Providing effective coordination of staff, within the confines of each program and agency requirements and goals.

Third Revision

Current Language: Resource room staff are trained in customer service and can demonstrate knowledge about the full range of center and workforce system resources.

Proposed Revision: All staff providing assistance in the resource room are trained in customer service and can demonstrate knowledge about the full range of center and workforce system resources.

Business Service Standards: Revisions

First Revision

Current Language: The Business Services Team operates from a written LWDB business engagement plan that is designed according to business needs and that supports the vision of the LWDB.

Proposed Revision: The Business Services Team operates from a COBE Plan that is made available to all Integrated Business Service Team.

Second Revision

Current Language: The Business Services Team targets and serves businesses according to the LWDB Business Engagement Plan.

Propose Revision: The Business Services Team targets and serves businesses according to the COBE Plan.

Third Revision

Current Language: The LWDA Business Engagement Plan outlines the survey tools, methods and protocols used to implement the employer feedback system

Proposed Revision: The LWDA COBE Plan outlines the survey tools, methods and protocols used to implement the employer feedback system.

Fourth Revision:

Current Language: The LWDA disaggregates the data for analysis and action by the LWDA.

Proposed Revision: The LWDA disaggregates the data for analysis and action.

Job Seeker Standards: Revisions

First Revision

Current Language – The SC Works center has implemented a job seeker feedback system that measures job seeker outcomes and satisfaction. Survey tools, methods and protocols are outlined in writing.

Proposed Revision – The SC Works center has implemented a jobseeker feedback system that measures job seeker outcomes and satisfaction. Survey tools, methods, and protocols are outlined in writing. The LWDA disaggregates the data and shares the data with appropriate partners for timely analysis and action.

Second Revision

Current Language – The SC Works center encourages job seekers to utilize virtual services, as appropriate, which may include web-based assessments and career planning tools, job search and job readiness assistance, applying for unemployment benefits, and access to a wide range of job search engines and job boards.

Proposed Revision – The SC Works center encourages job seekers to utilize virtual services, as appropriate, which may include the Virtual Engagement Center (VEC), web-based assessments and career planning tools, job search and job readiness assistance, applying for unemployment benefits, and access to a wide range of job offerings found in SCWOS.

Comments Received – No. 1 and No. 2

Comments Received	Section of Certification Standards	Revision(s) to the Certification Standards
COMMENT #1: Why was functional supervision changed to coordination?	Management Standards	No revisions made
COMMENT #2: Under one of the baseline measures on Management Standard # 2, "functional oversight" changed to "effective coordination of staff" between the last version of the standards and this draft version. Please provide additional clarification for this change.	Management Standards	No revisions made

Comments Received – No. 3 and No. 4

Comments Received	Section of Certification Standards	Revision(s) to the Certification Standards
<p>COMMENT #3: Who does/where is the Career Services Provider training offered?</p>	<p>Management Standards</p>	<p>No revisions made</p>
<p>COMMENT #4: Under one of the baseline measures on Management Standard #3, "Career Development Facilitator training" changed to "Career Services Provider (CSP) training". Please provide additional information on this training and the reason for this change.</p>	<p>Management Standards</p>	<p>No revisions made</p>

Comments Received – No. 5 and No. 6

Comments Received	Section of Certification Standards	Revision(s) to the Certification Standards
COMMENT #5: So many visiting the resource room are coming in for UI help and there isn't a UI presence so staff should be trained well on UI.	Management Standards	No revisions made
COMMENT #6: Under one of the baseline measures on Management Standard #3, a change was made from resource room staff to "all staff providing assistance in the resource room". We have concerns about the level of UI assistance that all staff can provide in the resource room. What is expected related to UI?	Management Standards	No revisions made

Comments Received – No. 7 and No. 8

Comments Received	Section of Certification Standards	Revision(s) to the Certification Standards
COMMENT #7: On Jobseeker Standard #1, a new baseline measure was added. Please provide additional information for what new expectations there are around survey data and analysis.	Job Seeker Standards	No revisions made
COMMENT #8: Regarding the resource room, recommendation was made to require 2 individuals in the resource room rather than 1 due to volume a lot of the time.	Job Seeker Standards	No revisions made

Summary

- Nine revisions were incorporated into the Management Standards Section.
- Five revisions were incorporated into the Business Service Standards Section.
- Three revisions were incorporated into the Job Seeker Standards Section.

Next Steps

- Once approved, the state instruction letter will go out with new guidance to the LWDA's.
- **Local Workforce Development Boards are required to certify SC Works centers by June 30, 2025.**

SHARED CASE MANAGEMENT PHASE II UPDATE

Shared Case Management System Procurement Support – State Workforce Development Board Briefing

Prepared for: South Carolina Department of
Employment and Workforce

25 June 2024

SOUTH CAROLINA DEPARTMENT OF
Employment and Workforce

Phase 1 – Feasibility Study

Feasibility Study Scope: Gartner evaluated SCDEW's current WIOA systems and developed a high-level modernization roadmap

1. Current State Assessment

2. Business Capability Model (BCM)

3. Market Scan

4. Options Analysis

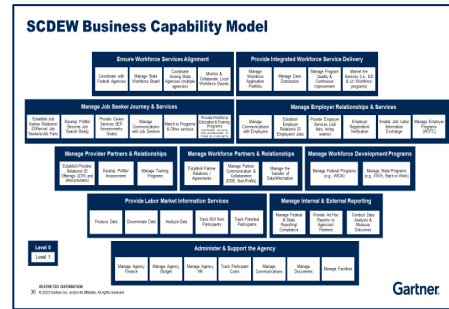

5. High-Level Recommendations & Roadmap

Gartner's review of the current state consisted of four primary components

- Analysis of Documentation**
Gartner completed a review of 59 documents from numerous stakeholders
- Interview Participants**
Gartner completed interviews with key IT, business and partners to review their pain points & strategic priorities
- Completion of Business Capability Model**
Gartner identified 43 level 0 and level 1 capabilities, and mapped SCDEW applications accordingly
- Workshops**
Gartner completed executive visioning, BCM validation, application mapping workshops, and a SCWOS demo to better understand Current State

Software Vendors Considered

Gartner conducted due diligence on the following vendors to be considered for SCDEW's CM systems:

Current Vendor	Off-The-Shelf
Geographic Solutions	AJA, CCO, BOSOS, MONSTER, ONEFLOW, Social Solutions
Case Management Platform	Custom Development Service Providers
Appian, laundpad, Microsoft, Pega, servicenow	EY, Deloitte, GOV NETWORK

Vendors not included in our shortlist were excluded due to lack of implementation and production environment experience currently with a statewide employment agency or related agency.

The following actions will be critical for a successful system modernization, irrespective of which option SCDEW selects

- Immediate Next Steps**
 - Solicit and validate needs with internal stakeholders to ensure alignment
 - Develop and present business case for modernization for executive leadership
 - Conduct a PMO capability needs assessment by establishing PMO processes to identify areas of improvement
 - Assess SCDEW business processes to identify areas of improvement
 - Develop an OCI strategy for modernization effort
- RFP & System Selection**
 - Check and issue RFP for OCI & system
 - Allow vendors selected period to respond to RFP
 - Prepare responses to evaluation criteria and scoring matrix to evaluate vendors
 - Conduct a PMO capability needs assessment by establishing PMO processes to identify areas of improvement
 - Evaluate and select vendor
 - Negotiate terms of a contract for OCI & system and CI system
- Implementation & Execution**
 - Develop comprehensive project plan that covers key activities in transition
 - Partners discuss and agree to understand CIW's needs and define project goals
 - Engage stakeholders and CIW's existing employees to ensure alignment in major areas of impact
 - Develop strategy, environment strategy, and plan for ongoing state from current CIW system to new OCI system
- Resource Management**
 - Outline an internal staffing strategy to ensure SCDEW will manage project resources
 - Performing project and program management to ensure alignment in major areas of impact
 - Begin to prepare employees with agency and OCI
 - Partner project and program CA to ensure all aspects of project meet standards
 - Outline how SCDEW will provide ongoing support for new OCI system
- Enabling Technologies**
 - Prepare data migration strategy to ensure SCDEW will migrate data from existing systems into new OCI & system
 - Review data governance strategy to ensure data integrity throughout project lifecycle
 - Evaluate current SCDEW IT infrastructure to ensure it can support the entire solution

SCDEW Case Management Approach Options

- Each of the 4 identified approach options may be valid and attainable target states for SCDEW. Each option comes with inherent benefits and challenges that need to be properly weighed while evaluating next steps.
- The current state findings and market scan informed our analysis as it relates to the ability of SCDEW overall to achieve the target state modernization option as well as support the solution moving forward.
- The table below summarizes each criteria for the current best-fit for SCDEW.

Criterion	Geographic Solutions	Off-The-Shelf	Platform CM	Custom Build
Functionality	4	4	4	4
Security	4	4	4	4
Access to Information	4	4	4	4
Future Needs	4	4	4	4
State Experience	4	4	4	4
Risks	4	4	4	4
Costs	5	5	5	5

Key Findings: Future State

Gartner's current state analysis identified the key opportunities for improvement with the existing CM and LX system as well as potential implications of the modernization effort.

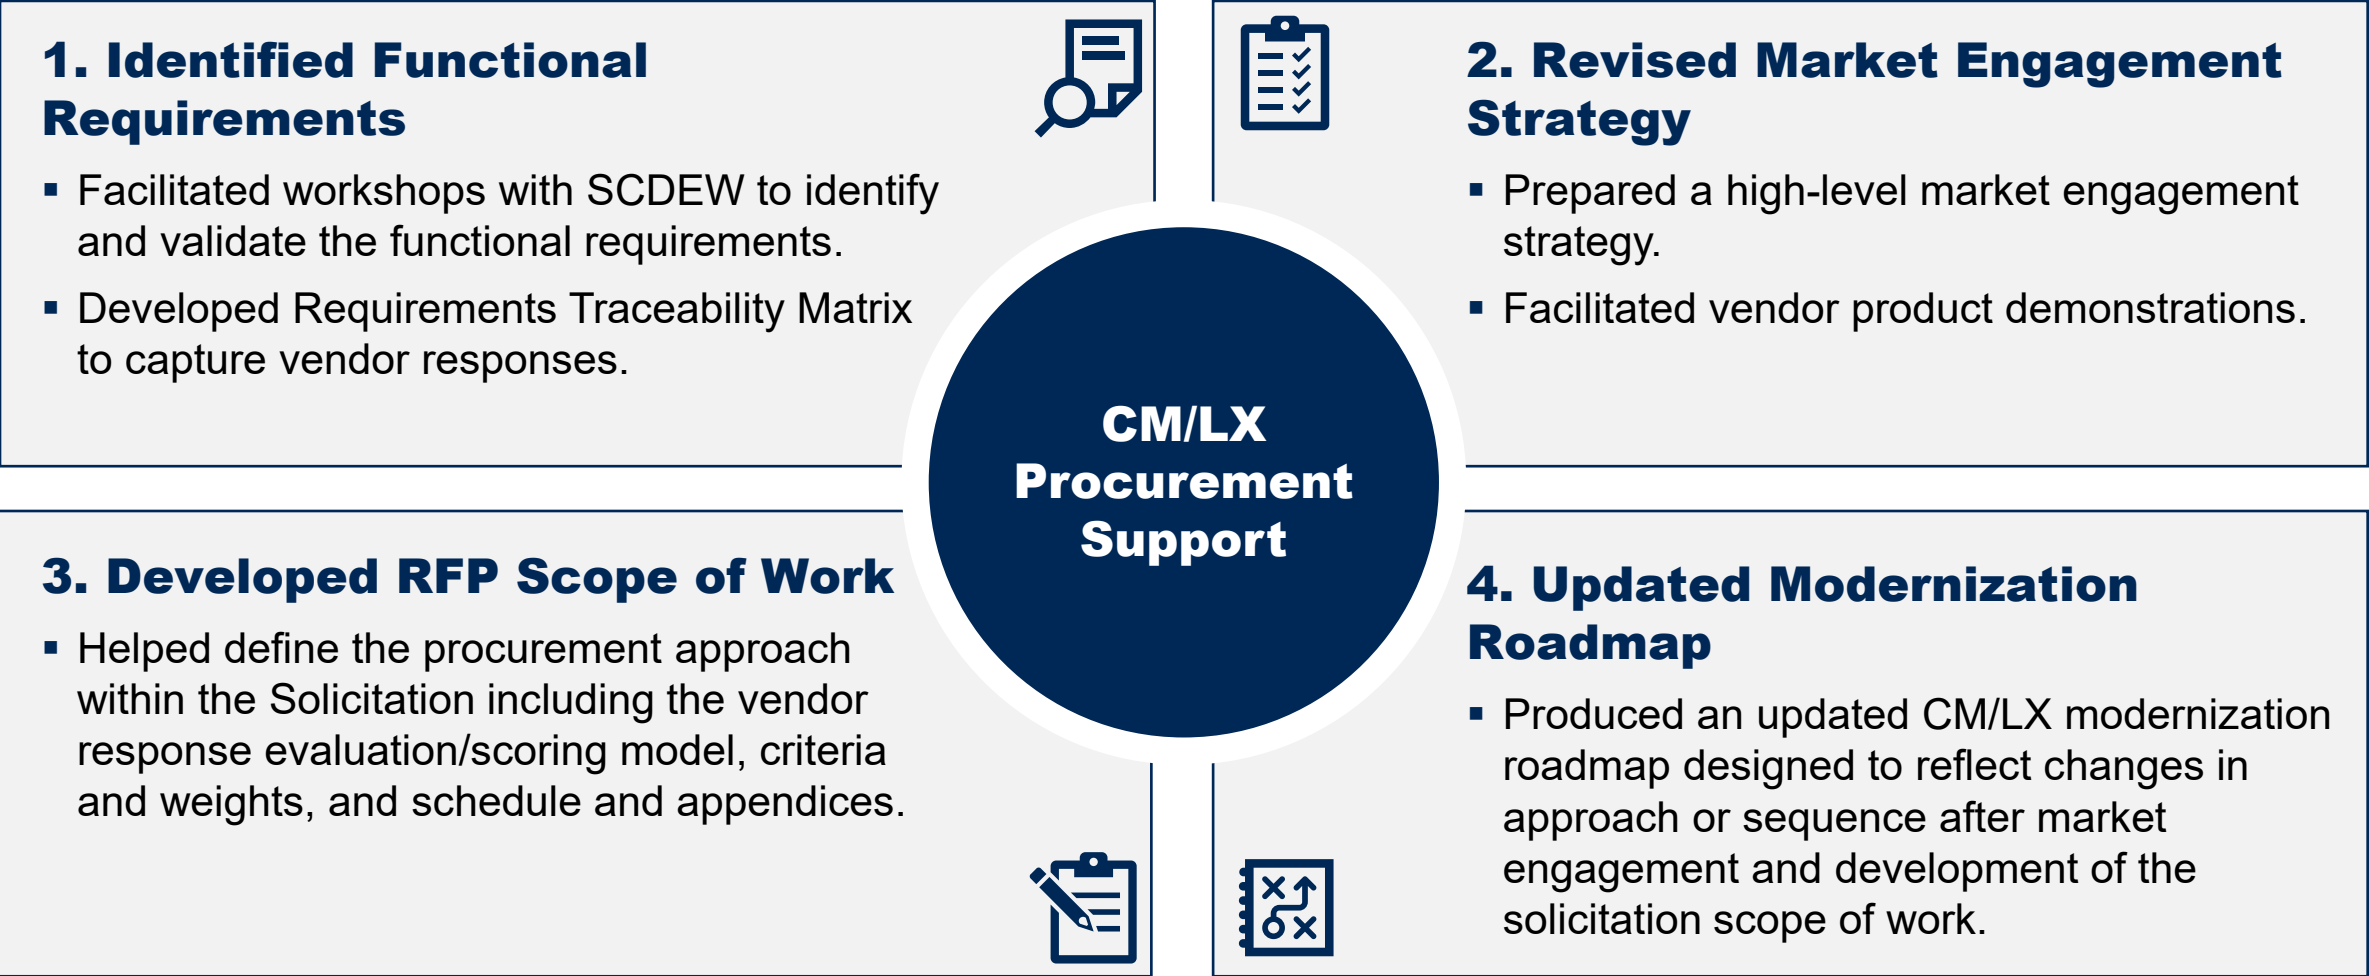

Key Themes	Desired Future State	Potential Implications
1 System Interoperability	<ul style="list-style-type: none"> Ability for CM/LX system to connect and exchange information with one another and with partner agencies 	<ul style="list-style-type: none"> Reduced departmental silos Easier to capture accurate view of an individual's case More consistent data across SCDEW Increased operational efficiencies
2 360 Degree View of Customer	<ul style="list-style-type: none"> Provide SCDEW staff members a centralized location to capture full picture of an individual or business in case management process 	<ul style="list-style-type: none"> Single source of truth to validate customer or employer information One-time capture of customer info reducing potential for re-traumatizing individuals in sensitive situations
3 Seamless User Experience	<ul style="list-style-type: none"> Provide a user experience that is intuitive, consistent, and seamless 	<ul style="list-style-type: none"> Improved User Satisfaction with SCDEW and SC Works websites Job seekers receive their weekly benefits in full and on time because job search requirements are being tracked properly between UI system and SC Works
4 Manually Intensive Processes	<ul style="list-style-type: none"> Automate processes currently being executed manually by SCDEW staff 	<ul style="list-style-type: none"> Automated processes reduce errors and increase accuracy of staff Reduced work arounds and ad hoc reporting enhance operational efficiencies and enable staff to prioritize strategic initiatives
5 Program Efficacy	<ul style="list-style-type: none"> Better understand efficacy of job-seeker support programs across CM and LX systems 	<ul style="list-style-type: none"> Ability to comprehensively and cohesively access data and information Extract the full value of individual programs that SCDEW incorporates Make data-driven resource investment decisions based on program efficacy

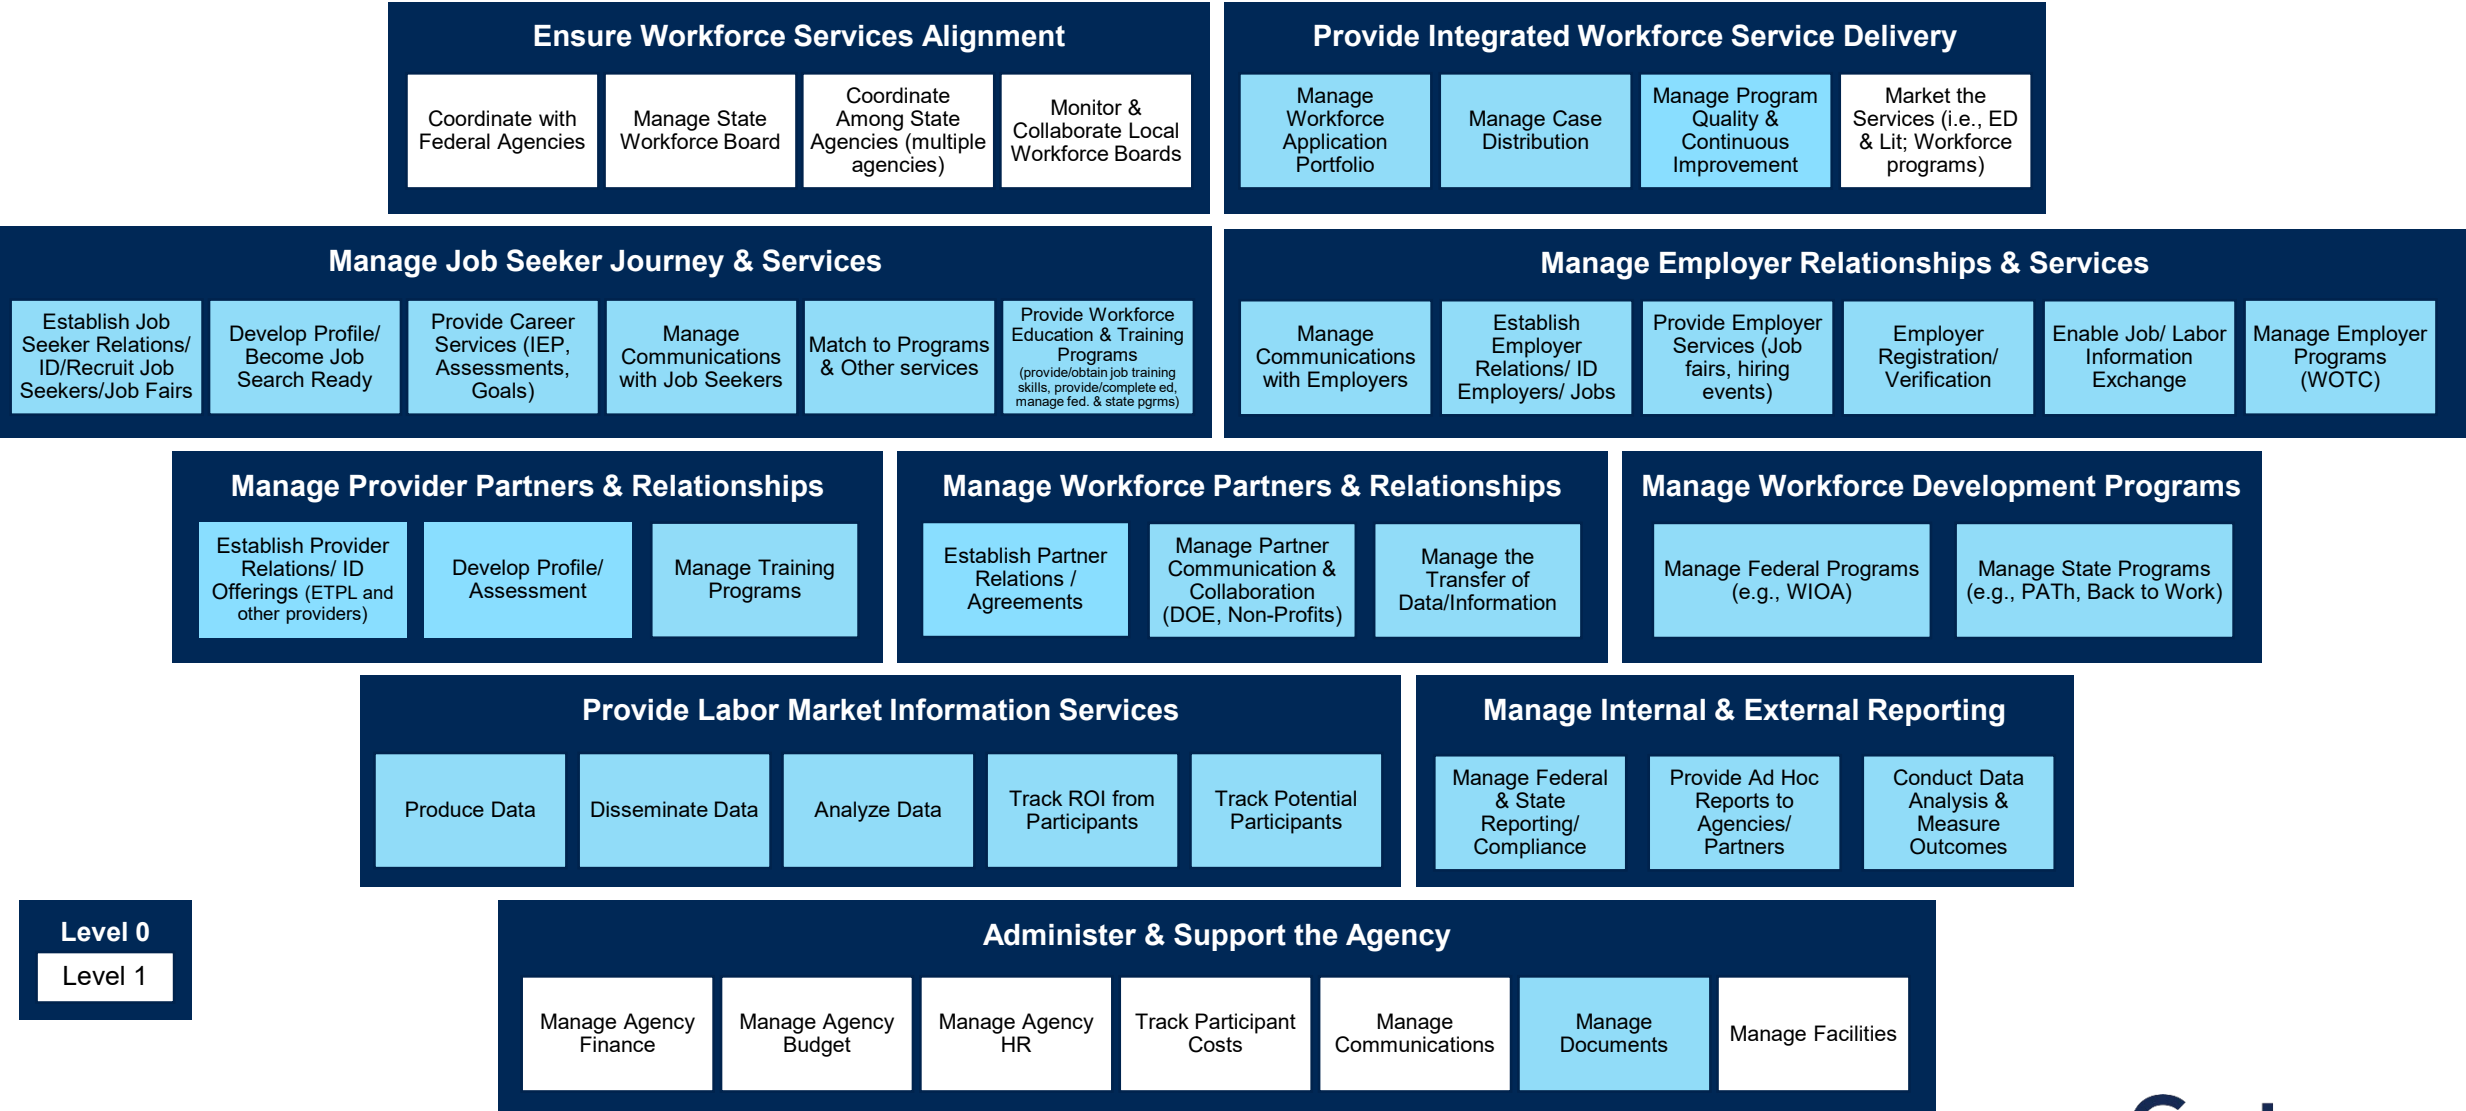

Phase 2 – Procurement Support

Project Scope & Key Accomplishments

Gartner was brought in to prepare the scope of work and functional requirements for the case management and labor exchange solicitation and provide support for the market engagement.

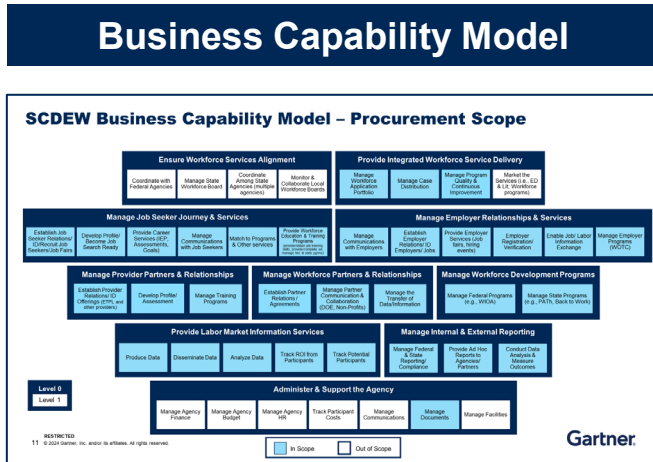

CM/LX Business Capability Model: Procurement Scope

Level 0
Level 1

Gartner Used an Iterative Approach to Develop the Requirements

ID	Level 1 Capability	Level 1 Capacity	BUSINESS REQUIREMENTS	Mandatory Preferred	Does Proposed Solution Meet Requirement?	Does Proposed Solution Meet Requirement as Part of the Current Proposal?	How does Proposed Solution Meet Requirement?	Comments
00000001	00000001	01	System must have features that allow job seekers to easily search for jobs and receive notices or alerts and act on favored environments.	✓				
00000002	00000001	02	System must have ability to search for jobs and display results based on, at a minimum, the following criteria: keywords, job titles, occupation codes, job descriptions, skills, zip codes, ZIPs, and counties.	✓				
00000003	00000001	03	System must have ability to refine job search results by removing and adding search criteria to include, at a minimum, educational levels, desired occupations, work experiences, desired work hours, availability of public transportation, employee status, salary, benefits available, temporary or permanent jobs, follow part-time jobs, and driver's license requirements.	✓				
00000004	00000001	04	System must allow job seekers to create and update their own accounts/profiles, including work history.	✓				
00000005	00000001	05	System must allow job seekers to create, edit, and view multiple resumes within the System, as well as allow job seekers to upload/import existing resumes in a variety of formats.	✓				
00000006	00000001	06	System must allow job seekers to search for jobs based on the contents of their resumes.	✓				
00000007	00000001	07	System must give job seekers the ability to suppress their personal information to determine the information shared by employers.	✓				
00000008	00000001	08	System must allow job seekers to save job searches and receive notifications regarding jobs that meet their desired criteria in a variety of formats.	✓				
00000009	00000001	09	System should generate results based on job seeker's self-identified skills.	✓				

State of South Carolina
Request for Proposal

DISCUSSION: South Carolina Workforce Services, UNDER GOVERNMENTAL SEAL - The Department of Employment and Workforce

SUBMIT YOUR OFFER ONLINE AT THE FOLLOWING URL: <http://www.procurement.state.sc.us>

REQUEST OFFER BY (Opening Date/Time): 8/16/2024 10:00 AM (Eastern Standard Time)

QUESTIONS MUST BE RECEIVED BY: 8/16/2024 10:00 AM (Eastern Standard Time)

NUMBER OF COPIES TO BE SUBMITTED: Please see page 3. All copies required must be received by the following date and time and must be labeled with the following information:

CONFERENCE: RTM, Procurement, 1000 Lakeshore Dr, Department of Employment and Workforce, 2900 Columbia St, Columbia, SC

DATE & TIME: 8/16/2024

REGISTRATION: Individuals are allowed to bid on this project.

AN AGENCY IS LEAD ONLY as of 08/16/2024. The award, the evaluation, and award notice, and any related ADJUSTMENTS (changes will be posted at the EDWSA web address: <http://www.procurement.state.sc.us>)

You must submit a signed copy of this form with your offer. It, along with the information you enter on the bid form, will be used to generate the contract.

NAME OF OFFEROR: _____

ADDRESS: _____

CITY: _____

STATE: _____

TITLE: _____

PROPOSED NAME: _____

OFFEROR'S TYPE OF ENTITY (Check one that applies to your offer):

____ Sole Proprietorship ____ Partnership ____ Other

____ Corporate Entity (Not for profit) ____ Corporation (For profit) ____ Government Entity (State, State or Local)

Who: SCDEW & Gartner

What: Identify high-level solution scope and categories of focus for requirements

When: As part of defining requirements gathering approach

Why: Provides simple, illustrative view of the future state solution's scope; helps Gartner plan workshops

Who: SCDEW & Gartner (and potentially designated stakeholders)

What: Formal requirements statements captured in a Requirements Traceability Matrix

When: After requirements gathering sessions

Why: To serve as a tool during procurement to document and prioritize requirements, and obtain responses from vendors for evaluation

Who: SCDEW & Gartner

What: Incorporate the RTM into the RFP to capture vendor responses

When: As part of RFP development

Why: To hold vendors accountable to the business requirements of the solution

Next Steps

Next Steps

Successful implementation of a modernized CM and LX solution requires careful planning, selection, and contracting

- 1 Today:** Present Phase 2 progress towards achieving SCDEW's CM/LX modernization objectives to the State Workforce Development Board
- 2 Q3 CY'24:** Socialize and validate the modernization roadmap with internal stakeholders to ensure alignment and support
- 3 Q4 CY'24:** Finalize procurement approach and begin modernization readiness activities including an EPMO Capability Needs Assessment and developing an Organizational Change Management (OCM) Strategy and Plan

By Following Gartner's Recommended Approach: SCDEW will be able to successfully implement a new CM/LX solution, realize associated benefits and mitigate critical risks of a large-scale modernization effort

Recommendation 1

Sequence Activities for Business Transformation

Utilize the modernization roadmap to begin foundational activities needed to support SCDEW in CM and LX modernization.

Recommendation 2*

Pursue a Strategic, Targeted Procurement

This procurement strategy allows SCDEW to consider a wide range of vendors to enable a thorough evaluation.

Based on needs uncovered from the current state analysis and BCM, Gartner considered different procurement options and trade-offs

Procurement Option	Pros	Cons
Broad Procurement	<ul style="list-style-type: none"> Allows for comprehensive assessment of all available options Increases competition among vendors and potential for better pricing, innovation, and quality Assessing multiple vendors can be time consuming and result in a protracted decision-making process due to the large number of vendors to be evaluated 	<ul style="list-style-type: none"> May result in a fragmented approach to the procurement process May result in a fragmented approach to the procurement process
Single Category Procurement	<ul style="list-style-type: none"> Allows for a focused approach to procurement Increases competition among vendors and potential for better pricing, innovation, and quality Assessing multiple vendors can be time consuming and result in a protracted decision-making process due to the large number of vendors to be evaluated 	<ul style="list-style-type: none"> May result in a fragmented approach to the procurement process May result in a fragmented approach to the procurement process
Narrow Procurement	<ul style="list-style-type: none"> Allows for a streamlined approach to the procurement process Increases competition among vendors and potential for better pricing, innovation, and quality Assessing multiple vendors can be time consuming and result in a protracted decision-making process due to the large number of vendors to be evaluated 	<ul style="list-style-type: none"> May result in a fragmented approach to the procurement process May result in a fragmented approach to the procurement process

Recommendation 3

Migrate Required Data, Archive the Rest

Migrating required data only while allowing access to other data as needed increases SCDEW's chances for a timely implementation with valuable data.

Recommendation 4

Deploy New Solution by Functional Area

A functional deployment approach aligns with SCDEW's strategic goals and will help lay the foundation for a successful implementation process.

Deployment options for SCDEW to consider for CM/LX implementation

Deployment Option	Pros	Cons
Big Bang	<ul style="list-style-type: none"> Provides clear goals due to single implementation timeline and full control Ability to evaluate comprehensive analysis and testing and data validation in a single implementation Organizational change management requires all user migrations to be completed at once Requires user to be migrated into the system 	<ul style="list-style-type: none"> Increased risk of business disruption if go-live due to the number of impacted business processes Increased risk of business disruption if go-live due to the number of impacted business processes
Phased	<ul style="list-style-type: none"> Production control and go-live is spread across business processes over time Increased opportunities for testing and validation Ability to evaluate comprehensive analysis and testing and data validation in a single implementation Organizational change management requires all user migrations to be completed at once Requires user to be migrated into the system 	<ul style="list-style-type: none"> Increased risk of business disruption if go-live due to the number of impacted business processes Increased risk of business disruption if go-live due to the number of impacted business processes

* Current Focus

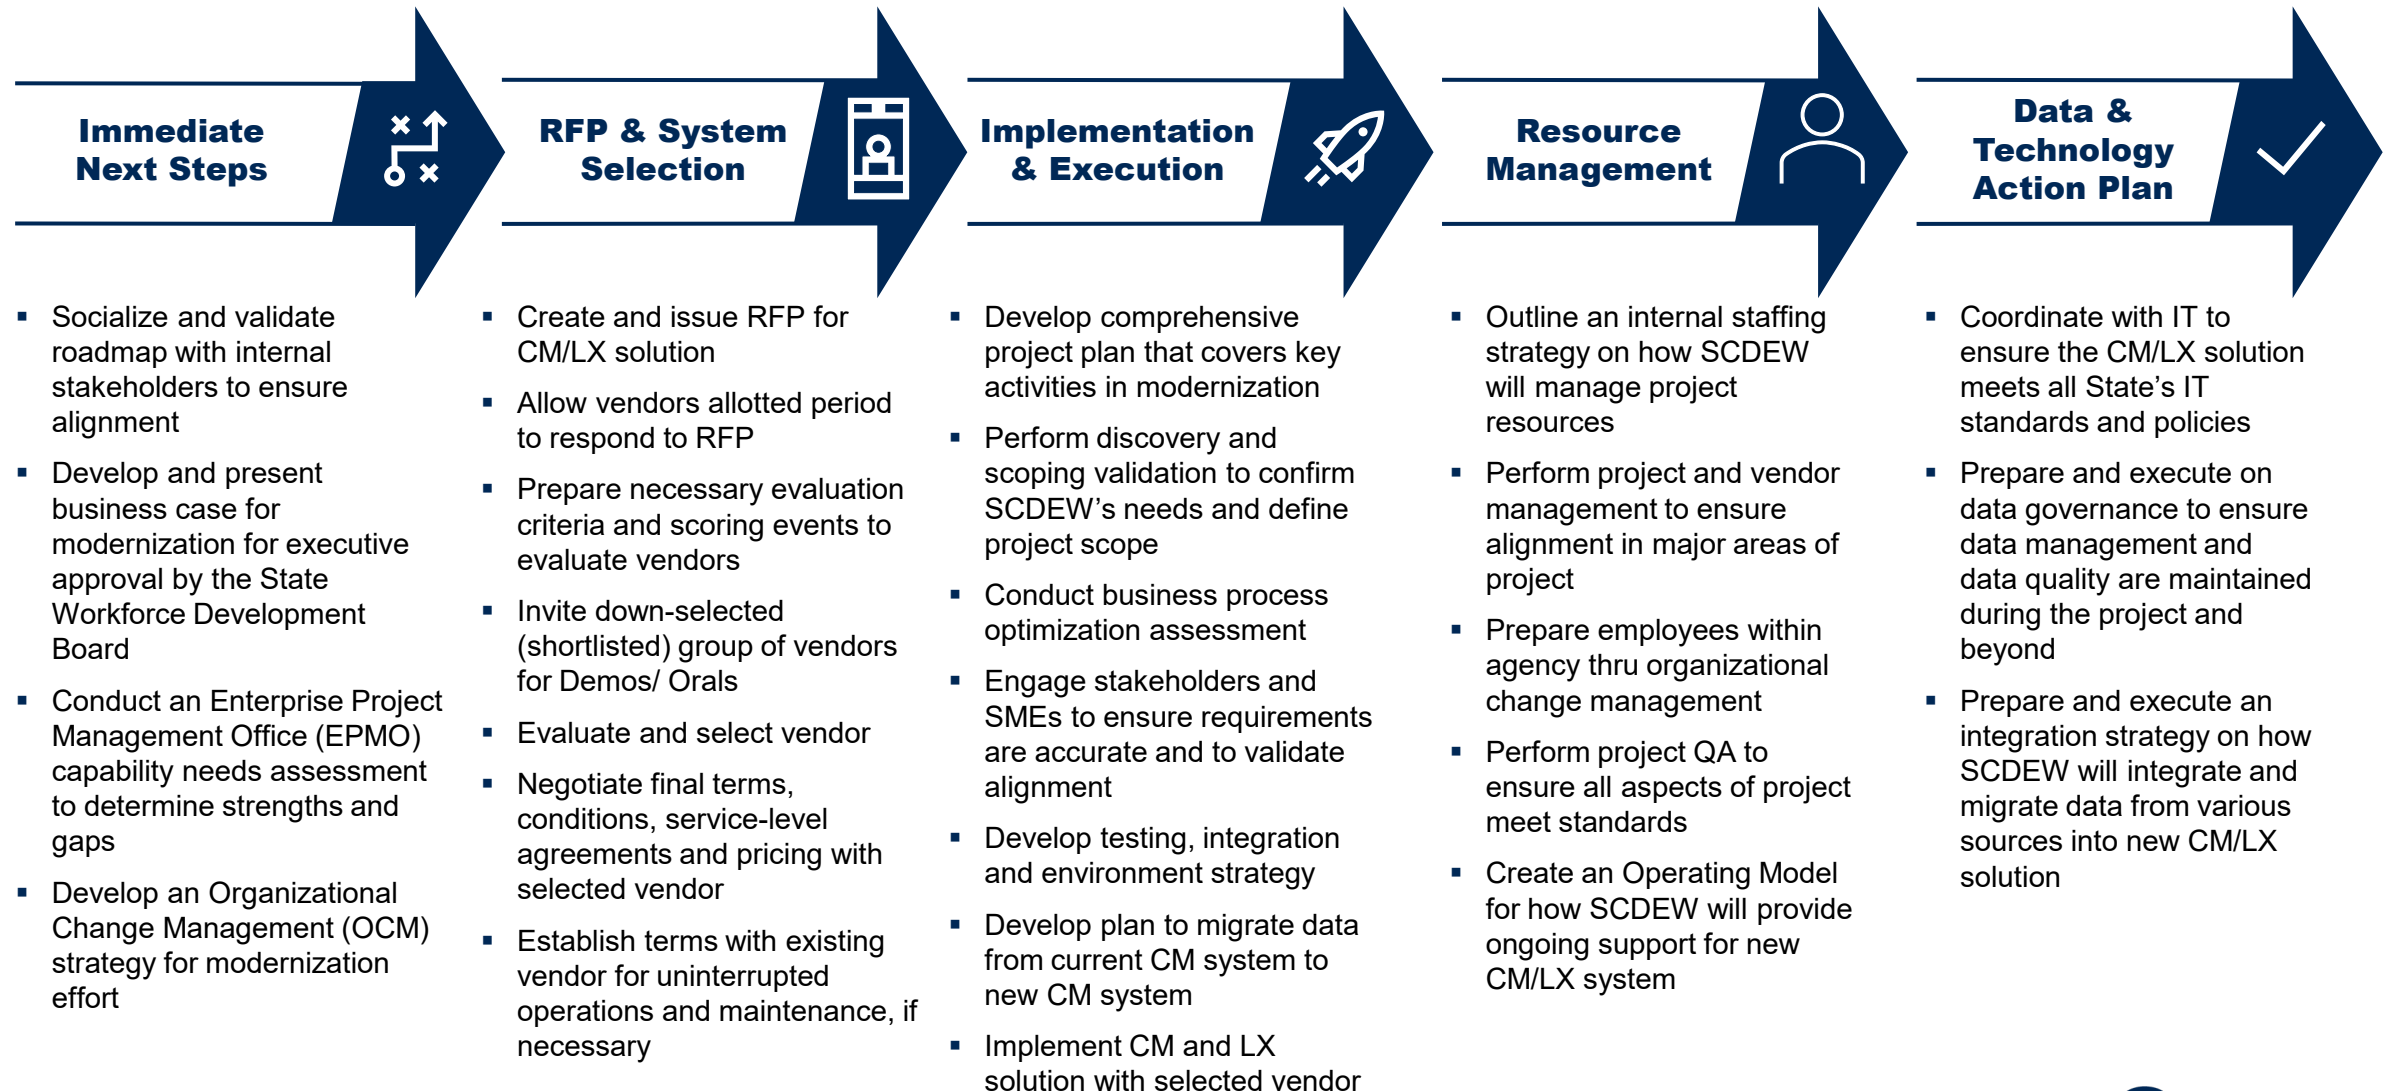

Thank you!

Appendix

The following actions will be critical for a successful system modernization, irrespective of which option SCDEW selects

SCDEW Modernization Roadmap

Strategy	Procurement	Execution / Implementation	Ongoing Support

Start of Implementation

GSI Contract Expiration

Estimated costs and implementation timeframe for CM and LX solutions

	Off-the-Shelf	Accelerated Platform	Platform CM	Custom Build
Description	Solution that is built for workforce development, is 70%-80% set out of the box to work and remainder is configured to meet agency unique needs.	Solution is workforce specific built on an industry standard case management platform.	Solution starts with an industry standard case management solution which needs to be configured to meet workforce development needs.	Solution is built from the ground up and is completely custom with assistance from third party provider.
Primary Vendors	America's Job Link, Geographic Solutions, Monster Government Solutions, Pairin	Launchpad	Microsoft, Salesforce, ServiceNow	Deloitte, EY, GovWebworks
Implementation Duration Range*	12-24 months	12-24 months	18-24 months	24 months+
Cost Range	\$8-10 Million	\$15-20 Million	\$15-20 Million	**\$20 Million+

* Implementation timelines are contingent upon, among other key factors, selected data migration strategy.

** Total cost of custom solutions may vary significantly depending on choice of platform and other key considerations.

Gartner Team Introduction

Maydad Cohen

Subject Matter Expert

- Senior Managing Partner with Gartner Consulting, focusing on the State and Local Government (SLG) industry.
- UI and Workforce Development SME.
- 20 years of experience helping Public Sector clients with strategy, oversight, and management for large transformational programs.
- Joined Gartner in 2019 and works out of the Gartner offices in Boston, MA.

Carlton McArthur

Managing Partner

- Managing Partner with Gartner Consulting, focusing on the SLG industry.
- Lead Client Partner for the states of SC, NC, and MD
- 25 years of consulting experience and is an expert in IT service delivery transformation, process optimization, and organizational change management.
- Joined Gartner in 2019 and works out of the Gartner offices in Arlington, VA.

Gartner delivers actionable, objective insight that drives smarter decisions and stronger performance on an organization's mission-critical priorities

About Gartner

- Founded in 1979, Gartner delivers **actionable, objective insight** to executives and their teams
- **More than 21,500** associates in approximately 85 global offices
- **40+** consecutive quarters of double-digit growth, \$5.5B revenue in 2022
- Deep global business and technology insight into every major business function in the enterprise with **2,500 experts** delivering strategic advice in more than **460,000** client interactions each year
- **850+ consultants** performing 2,500+ technology-driven strategic consulting and contract optimization engagements annually with CIOs and other senior executives through our Consulting business
- **10,500 new research reports** published annually, enabling faster, smarter decisions and stronger performance on an organization's mission-critical priorities
