

**THE \_\_\_\_\_ WORKFORCE AREA SC WORKS SYSTEM**  
**MEMORANDUM OF UNDERSTANDING**  
**PURSUANT TO THE**  
**WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA)**

---

The parties included in this MOU are the \_\_\_\_\_ Workforce Development Board (LWDB), Chief Elected Official(s) (CEO), the \_\_\_\_\_ SC Works Operator (Operator) and the required partners identified in the Act and other optional partners (hereinafter referred to as “Parties”). The partners’ respective programs are identified on the signature pages of this agreement.

The CEO is responsible for appointing LWDB members, designating the local grant recipient and, in partnership with the LWDB, providing oversight of the local workforce delivery system.

The LWDB is responsible for developing this MOU with the SC Works partners; competitively procuring SC Works operators; strategic planning; and local policy development and oversight.

The Operator’s function is to manage the SC Works system and coordinate the delivery of workforce services delivered through the system.

The SC Works system will bring together a series of partner programs and entities responsible for workforce development, education, and other human resources programs to collaborate in the creation of a seamless customer-focused service delivery network that enhances access to the programs’ services.

employment, education, and training programs provided by public libraries or in the private sector. Optional partner outreach is strongly encouraged as these partnerships are necessary to provide job seekers with the high-quality career, education, and supportive services needed to place them with businesses seeking skilled workers. Optional partners must meet the same conditions as required Parties.

Each Partner agrees to:

- (a) Provide access to its programs or activities through the SC Works delivery system;
- (b) Use a portion of funds made available to the partner's program, to the extent consistent with the Federal law authorizing the partner's program and with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR Part 200 and as supplemented by specific Federal agency Parts and CFRs, to:
  - (1) Provide applicable career services; and
  - (2) Work collaboratively with the State and LWDB to establish and maintain the SC Works delivery system. This includes jointly funding the one-stop infrastructure costs through partner contributions that are based upon:
    - (i) A reasonable cost allocation methodology by which infrastructure costs are charged to each partner in proportion to use and relative benefits received; and
    - (ii) Federal cost principles;
- (c) Enter into an MOU with the LWDB relating to the operation of the SC Works system; and
- (d) Participate in the operation of the SC Works system consistent with the terms of the MOU, requirements of authorizing laws, the Federal cost principles, and all other applicable legal requirements.

The development and implementation of this System will require mutual trust and teamwork between the Parties all working together to accomplish shared goals and in keeping with the main purposes and priorities of WIOA.

Purposes:

- Increasing access to and opportunities for the employment, education, training, and support services that individuals need, particularly to those with barriers to employment;
- Supporting the alignment of workforce, education, and economic development systems;
- Improving the quality and labor market relevance of a demand-driven workforce that meets the needs of businesses and job seekers;
- Promoting improvement in the structure and delivery of services; and
- Providing workforce development activities that increase opportunities of participants and that increase post-secondary credential attainment and as a result, improve the quality of the workforce, reduce welfare dependency, increase economic self-sufficiency, meet skill requirements of employers, and enhance productivity and competitiveness of the nation.

The Parties agree to:

- Actively participate in the strategic planning process for the local SC Works system;
- Serve on the Business Services team and participate in industry or sector partnerships, as applicable;
- Participate in SC Works Partner meetings, as appropriate;
- Coordinate and integrate activities so that individuals seeking assistance will have access to information and services that lead to positive employment outcomes; and
- At a minimum, provide electronic access to programs, activities and services:
  - Services provided through electronic means will supplement and not supplant those provided through the physical SC Works delivery system. The term "electronic" includes Web sites, social media, internet chat features, and telephone.

## Services

SC Works centers provide services to customers based on individual needs, including the seamless delivery of multiple services to each customer. There is no required sequence of services. From the services listed in **Attachment A, WIOA Required Services**, an “X” indicates which services are directly provided by each partner program. **Attachment B, \_\_\_\_\_ SC Works Partner List**, includes all Local Workforce Development Area (LWDA) Parties participating in the agreement and their service location(s) and program(s) they represent.

### Unemployment Insurance (UI) Services

WIOA requires that a collaborative process exist among workforce Parties and UI programs. The South Carolina Department of Employment and Workforce (DEW) is a recipient of Reemployment Services and

Eligibility Assessment (RESEA) grants that provide selected UI claimants reemployment services deemed necessary and beneficial in returning these individuals to gainful employment as quickly as possible. Claimants selected to participate in the RESEA program can receive up to three one-on-one reemployment assessments during their benefit year to help them return to work faster. RESEA staff advises claimants on the wide variety of reemployment services available to them and refers claimants to the services appropriate for their individual needs, including other SC Works partner programs. DEW staff agrees to provide claimants of UI programs information and assistance with filing claims and connecting with reemployment services. UI will share in the cost of the workforce system through the presence of RESEA staff in all comprehensive SC Works centers. DEW will make available UI-related training resources to assist all frontline SC Works staff in providing meaningful assistance with filing UI claims and correctly answering common claimant questions with ease and consistency.

### **Accessibility**

The Parties agree SC Works centers must comply with applicable physical accessibility requirements, as set forth in 29 CFR part 38, and the Americans with Disabilities Act of 1990 (ADA), as amended, to provide services to meet the needs of workers, youth, and individuals with barriers to employment, including individuals with disabilities. Access to services includes: access to technology and materials that are available through the SC Works delivery system; providing reasonable accommodations for individuals with disabilities; making reasonable modifications to policies, practices, and procedures where necessary to avoid discrimination against persons with disabilities; administering programs in the most integrated setting appropriate; communicating with persons with disabilities as effectively as with others; and the use of appropriate auxiliary aids and services, including assistive technology devices and services, where necessary to afford individuals with disabilities an equal opportunity to participate in, and enjoy the benefits of, the program or activity. All SC Works centers must be physically and programmatically accessible to individuals with disabilities.

The Parties agree SC Works centers must comply with applicable nondiscrimination requirements, as set forth in 29 CFR Part 38.9 and Title VI of the Civil Rights Act of 1964, to ensure individuals are not excluded on the basis of National Origin. As such, the Parties agree to take reasonable steps to ensure meaningful access to each limited English proficient (LEP) individual served or encountered so that they are effectively informed of and able to participate in the services and programs provided. Reasonable steps may include, but are not limited to, an assessment of language assistance needs, providing oral interpretation, providing written translation of materials, and outreach to LEP communities.

### **Certification**

The Parties agree to cooperate and participate in the achievement of Certification of the local SC Works System. LWDBs will use the State issued certification standards to assess and certify SC Works centers. The criteria will evaluate the SC Works centers and SC Works delivery system for effectiveness, including customer satisfaction, physical and programmatic accessibility, and continuous improvement. Evaluations of effectiveness will include how well the SC Works center integrates available services for participants and businesses, meets the workforce development needs of participants and local employers, operates in a cost-efficient manner, coordinates services among the SC Works partner programs, and provides maximum access to partner program services even outside regular business hours. These evaluations will include criteria evaluating how well the centers and delivery systems take actions to comply with the disability-related regulations implementing WIOA. All Parties must work together to establish processes and services to achieve and maintain the required certification.

### **Center Management**

The Center Manager is responsible for the day-to-day operation of the identified facilities. The Center Manager will coordinate with Parties to ensure staff is scheduled appropriately within the Center, respond

to questions of an operational nature, manage the facilities, coordinate the Sharing of Resources, coordinate staffing with all center partners to ensure customers are timely greeted and directed to appropriate SC Works center staff for assistance upon entering SC Works centers, and will be the primary point of contact for SC Works Certification Standards, and other related issues. The LWDB will seek agreement from all Parties to the Front Desk Addendum if the Parties choose to cost share a front desk staff person in the comprehensive center.

The Operator agrees that partner staff will have access to their assigned work areas during standard business hours during the work week and during extended work hours, including weekend hours if necessary, as special projects, information technology maintenance, extraordinary circumstances or workload may require. The Operator agrees to timely notify, by email, all partner staff of center closings, including the Agreement Managers for all Parties listed in the Agreement Management section below.

Use the Table below to clarify the LWDB expectations for center closings related to weather and holidays:

Disputes should be addressed using approaches that facilitate clear communication and respectful interactions that lead to mutually acceptable solutions. For disputes that cannot be resolved informally, the following mediation/resolution process shall be followed.

1. Should informal efforts fail, the authorized signatory official of the WIOA local grant recipient, or designee, and the executive director(s) of the partner(s), or designee(s), shall meet to mediate and resolve the situation.
2. Should these efforts fail, the situation shall be referred to the chair of the LWDB who shall designate an ad hoc committee to mediate with the parties involved to resolve the situation.
3. Should local efforts fail, and/or situations reoccur, either party may send a written request to the State Workforce Development Board (SWDB) regarding mediation.
4. The Chair will designate the Executive Committee or an ad hoc committee of at least five SWDB members to mediate with the parties involved and attempt to resolve the dispute.
5. The SWDB will hear the dispute and provide a recommendation within 60 days.

The LWDB and the State Administrative Entity will evaluate SC Works operations and system performance to recommend new policies and changes to current policy for the operation of the SC Works system.

## **SC Works Partner Meetings**

The Parties will meet no less than once quarterly to develop, implement and refine processes and documentation to achieve and maintain SC Works certification; to discuss operational and customer service issues; to address other matters necessary for the success of the SC Works system. Meeting invitations should be sent to all appropriate partner staff, including Agreement Managers. Standing and ad hoc committees may be formed to address on-going and special issues and to maximize the participation in the operation and certification of the SC Works centers.

### **System Integration and Referral**

The Parties will promote system integration to the maximum extent feasible through the cross training of staff, use of common and/or linked information systems and participation in a continuous improvement process designed to improve processes and increase outcomes and customer satisfaction. A key responsibility of each partner is effective referral of customers to the appropriate partner for services. This shall be done in a manner that reduces duplication, promotes a “no wrong door” policy, and ensures tracking of referrals to build accountability. Please see **Attachment C** for referral process and forms.

### **Confidentiality**

- a. All Parties expressly agree to abide by all applicable Federal, State, and local laws and regulations regarding confidential information, including PII from educational records and unemployment insurance information, such as but not limited to 20 CFR Part 603, 45 CFR Section 205.50, 20 USC 1232g and 34 CFR 361.38, as well as any State and local laws. 1. The Parties will ensure that no person shall be discriminated against in consideration for or receipt of employment and training services or staff position on the basis of race, color, religion, sex (including pregnancy, childbirth, and related medical conditions, sex stereotyping, transgender status, and gender identity), national origin (including limited English proficiency), age, disability, or political affiliation or belief. ## INFRASTRUCTURE FUNDING AGREEMENT (IFA)

The Infrastructure Funding Agreement (IFA) and budget establishes a plan to fund the services and operating costs of the \_\_\_ LWDA. The Parties to this MOU agree that joint funding is an essential foundation for an integrated service delivery system and necessary to maintain the \_\_\_ LWDA’s high-standard SC Works network. Cost allocation among Parties shall meet WIOA regulations, Federal Uniform Guidance, including the partner program’s authorizing law and implementing regulations, and state rules, policies and guidelines. The SC Works system is a work in progress and its costs and the Parties’ resource contributions are based on projections only and may need to be adjusted from time to time to most accurately reflect actual costs and contributions. The IFA is a component of the MOU and will be negotiated and modified annually.

The \_\_\_ LWDA has the following SC Works Centers that are designed to provide a full range of assistance to job seekers and businesses:

___ SC Works Center (Comprehensive)	
Center Manager Name, Title	Phone
Address	Email Address
Operating Hours	Website

___ SC Works Center (Affiliate)	
Center Manager Name, Title	Phone
Address	Email Address
Operating Hours	Website

Each partner agrees to provide the resources necessary to fund their proportionate share of the costs as contained in **Attachment E, Shared Operating Budget**. The IFA should include, but is not limited to the following infrastructure cost items:

- Lease/Rent
- Utilities
- Landscaping
- Janitorial and cleaning maintenance
- Building maintenance and repairs
- HVAC maintenance
- Equipment rental expenses
- Public access IT-related services
- Security System
- Pest Control
- Supplies (public access and common spaces only)

The Parties may also share other costs that support the operations of the centers, as well as the costs of shared services that are authorized for and may be commonly provided through the SC Works partner programs to any individual, such as initial intake, assessment of needs, identification of appropriate services to meet such needs, evaluation of basic skills, referrals to other partners, and business services. The Parties have agreed to cost share in the following additional shared services and estimated costs as listed below and in the attached Shared Operating Budget. Final costs for all agreed upon additional shared services will be presented and approved by the Parties prior to actual purchase or procurement of services. Failure to do so may result in disputed charges and a refusal to submit payment.

Agreed upon Additional Shared Services Est. Cost	Description

Infrastructure and agreed upon additional shared operating and/or services costs will be shared in accordance with this agreement, including the partners identified in **Attachment E: Shared Operating Budget**. Changes to the list of financially contributing partners included in the budget will result in changes to the allocations for the remaining partners. Therefore, any changes to the partners included in the budget must be submitted to all Parties of this agreement in the form of a written addendum, including the revised staffing roster and revised budget, to ensure fiduciary responsibility. Failure to adhere to this standard may result in disputed proportionate share amounts and failure to remit payment amounts above that which are included in the original agreement.

Prior to committing to a contractual and/or financial obligation of any kind that would involve payment from a financially contributing partner, the Parties must consult with and obtain approval from the contributing partner(s). Each entity has its own procurement process and is responsible for ensuring that quotes for services are solicited and evaluated according to the appropriate procurement process. Failure by any party (COG, Operator or Partner) to adhere to this standard may result in disputed charges and a refusal to remit payment. Additionally, the \_\_\_\_ LWDB/fiscal agent may not enter into a lease agreement to move offices that include partner staff without consulting with the Parties contributing to infrastructure funding prior to the execution of a lease agreement. Once the Parties have agreed in writing to their estimated/projected portion of the facility costs and that the space will work for their program services, an addendum to this agreement reflecting the move and any related changes must be executed **prior to the move**. Routine costs incurred during the month of the relocation will be prorated by all Parties.

**Facility Costs** - Facility costs are defined as those actual costs related to the facility use, maintenance and operation of the SC Works centers. These costs include payment of utilities, lease/rent, and security. Facility costs shall be borne by those Partners who deliver services through the SC Works Centers in the \_\_\_\_ region.

**Maintenance Costs** - Maintenance costs include the following unless otherwise noted: landscaping, janitorial/cleaning maintenance, routine building maintenance and repairs, including HVAC maintenance, and pest control.

- a. Contractor costs, particularly those involved in, but not limited to, building repairs or improvements, should be mutually agreed upon by all financially contributing Parties. Each entity has its own procurement process and is responsible for ensuring that quotes for service are solicited and evaluated according to the appropriate procurement process. Once a need has been determined, the Facility Host designee is responsible for advising the non-Host partner(s) of the need, securing contractor quotes and submitting this detail for review to pertinent parties. Maintenance costs must be agreed upon by all parties prior to the execution of work.
- b. Facility hosts with capital improvement needs of any nature must address those needs independent of this agreement and budget. Such repairs could be unresolved ADA modifications, roof repairs, HVAC replacement, etc. Capital improvement shall be the sole financial responsibility of the facility host. However, maintenance and repairs occurring from daily operations will be shared proportionately utilizing the agreed upon cost sharing methodology.

**Supplies** - Supply costs are those related to individual staff in performing their respective job duties and those related to the supply of items needed for public access (i.e. resource room) and common/shared spaces (i.e.

restrooms) in each Center. Parties will purchase all staff supplies needed, including business cards, for their staff through the appropriate partner manager. The only shared supply costs will be those specifically related to public access and common/shared spaces as purchased by the Operator. These costs should be reconciled and invoiced to Parties quarterly and will be shared proportionately across all programs located in the Center in accordance with this agreement.

**Equipment Costs** - Equipment costs are those related to the use of rented equipment, such as Xerox machines, etc. (including paper and ink for the machine). Partner staff will be responsible for providing the necessary equipment for their staff and will share in the cost of public access equipment only, as provided by the LWDB and/or Operator, and used only by Center customers. These costs should be reconciled and invoiced to Parties quarterly and will be shared proportionately across all programs located in the Center in accordance with this agreement.

Center/Location	Number and Type of Public Access Equipment ( <i>not including PCs</i> )
_____ SC Works Center	
_____ SC Works Center	
_____ SC Works Center	

**Access to equipment** - Partner staff shall be granted access to all partner equipment in all SC Works facilities, including network closets. The partners agree that all Parties will be granted access to any other properties to verify ownership through the state property system. If equipment is found on the state property inventory list, the Parties agree to return the equipment for off-boarding, transfer, and return to ensure proper handling as required by IRS regulations property ownership and resolution of any depreciated value of the equipment.

**Public Access Computers** – The Parties agree to share in the cost of public access PCs (i.e. necessary and reasonable in-scope costs of resource rooms and **shared** computer labs). The public access IT costs should be reconciled and invoiced to Parties quarterly and will be shared proportionately across all programs in accordance with this agreement. As part of reconciling IT costs, the Parties will be provided a copy of all current IT service provider contracts and/or work orders and any forthcoming modifications.

_____ SC Works Center	Public Access PCs	Training Lab PCs	PCs used by Staff	*Total PCs
Number of PCs	#	#	#	#

**Shared Network Access** - In a facility where partner staff presence is minimal, the Parties may request the County/COG/Operator on behalf of the LWDB provide IT services for their staff or through a VPN tunnel. A VPN tunnel allows for a “shared” internet connection to be divided into separately managed connections. This method maintains administrative control of partner connections and equipment without interfering with the County/COG and/or the Operator’s own network management. Any requests for shared services or access of this type will be negotiated between the applicable entity’s IT service provider and the partner. Once agreement has been reached and/or a VPN connection is established and in use by partner staff, any changes in IT services affecting such connection are prohibited without prior notification to the affected partner.

**Telephone** – When partners provide and maintain telephones (either VoIP or analog) for their staff, phone costs are not shared. In offices where a partner’s presence is minimal, or where the County/COG and/or the Operator is providing phone service, the COG/County and/or the Operator may bill a partner for their

proportionate share of monthly billing by the telephone service provider. In cases where a telephone cannot be provided or supported by either party, partners may choose to provide or request alternate communication methods as needed on a case by case basis.

**Cost Allocation and Proportionate Share** - WIOA and its related regulations and guidance establish, as a starting point, the expectation that partners will share proportionately in the infrastructure and shared services cost of the SC Works system. Therefore, the Parties agree that costs will be shared based on the Square Footage (SF) model. Shared costs will be allocated on the basis of the number of square feet occupied by a partner's staff assigned to work in a facility (enjoying the benefits of being in the building) on a weekly basis and counted proportionately as defined below:

- Sole Space – Allocated to one partner 100% of the time
- Common space – Hallways, restrooms, breakroom, resource room and computer labs (including applicable IT charges for public access PCs only), meeting rooms, etc. Common space allocation is determined by the percentage of sole space occupied by partner compared to the total square footage of the facility. See **Attachment E, Shared Operating Budget**.
- **Rotating Part-time Partners** – When multiple partners are sharing the same designated workspace/SF on a rotating schedule, the cost for that workspace is shared based on the percentage of time that space is used by each partner sharing the space. This ensures the square footage is included in the total allocation only once and that those partners who are not co-located on a full-time basis are sharing costs proportionately based on use and relative benefits received. See Attachment E, Shared Operating Budget.

*Staffing Roster.* Occupied square footage space will determine the proportionate share percentage of infrastructure and additional shared services costs for which each Partner will be responsible for by location and program. Billing of each individual center's costs will be based on the square footage map as indicated in **Attachment F, Staffing Roster**. The attachment must be completed and signed by all cost-sharing Parties with the execution of this MOU. Occupied square footage must be based on planned space usage for the duration of the PY at the time of signature. Permanent adjustments to occupied space for the duration of the PY (outside those of routinely occurring vacancies) will require the staffing roster and effective date to be revised and signed by all Parties. Any Party may request a new staffing addendum to be executed at any time based on permanent space changes. The square footage maps attachments will be submitted to the Parties with invoices and supporting documentation reflecting actual expenses for payment.

*Deviations to Proportionate Share Formulas.* Any deviations or adjustments made to the proportionate share formulas will be presented in writing and agreed to by all Parties in the form of an addendum to the original agreement.

**Reconciliation of Shared Costs**

(For DEW-owned buildings) - DEW is responsible for reconciling and invoicing facility costs to the \_\_\_\_\_ LWDA for the \_\_\_\_\_ SC Works Center(s) within 20 days after the quarter ends. All invoices should then be submitted to the Partners by the \_\_\_\_\_ COG/County, with invoices and supporting documentation, reflecting the actual quarterly expenses paid during the quarter, within 45 days after the quarter ends. Special reporting requirements may be instituted for the 4th quarter for the period ending June 30th, to ensure payment occurs within the correct fiscal year. Partners should remit payments to the COG/County within 45 days following the date the invoice is emailed to the Partner. Any failure to submit payments by the deadlines set forth in this agreement will be subject to the dispute resolution process outlined above. If any partner disputes any costs, they have 30 days from the receipt of the reconciliation to submit a dispute.

(For buildings leased by the LWDA) - In turn, the COG/County, in coordination with the Operator, shall be responsible for reconciling and invoicing respective Partners for costs under this agreement as it relates to the \_\_\_\_\_ SC Works Center(s). The \_\_\_\_\_, host for the \_\_\_\_\_ SC Works center(s), is responsible for reconciling and invoicing facility costs to the Partners. All invoices should be submitted to the Partners, with invoices and supporting documentation, reflecting the actual quarterly expenses paid during the quarter, within 45 days after the quarter ends. Special reporting requirements may be instituted for the 4th quarter for the period ending June 30th, to ensure payment occurs within the correct fiscal year. Partners should remit payments to the COG within 45 days following the date the invoice is emailed to the Partner. Any failure to submit payments by the deadlines set forth in this agreement will be subject to the dispute resolution process outlined above. If any partner disputes any costs, they have 30 days from the receipt of the reconciliation to submit a dispute.

All invoices presented hereunder will be supported by a standard Excel worksheet summarization of the charges detailing, for each invoice containing shared costs, the vendor name, the month of service covered, the total invoice amount, the shared cost portion of the invoice, and each Partner’s allocated portion of those shared costs. The Partners will mutually agree on the worksheet to be used for this purpose, and the final agreed-upon worksheet will be provided to DEW and the COG/County. The worksheets will be submitted to the Partners in Excel file format and will be accompanied by PDF copies of all vendor invoices or other documentation supporting charges listed in the worksheet. No cost-sharing invoices will be processed for payment unless they are supported by the agreed worksheet transmitted in Excel file format, and no charges will be paid unless supported by a PDF of a vendor invoice or other documentation deemed sufficient by the Partner invoiced.

## **. MOU ATTACHMENT D: SC WORKS CIVILITY POLICY**

Regardless of role or position, all staff within the SC Works system is expected to behave in a manner that maintains a civil workplace environment, free of harassment and intimidation. Management bears a responsibility to ensure that respectful behaviors are exhibited at all times and to address those which are not. Indeed, management should exemplify the behavior expected of all staff in maintaining a positive and productive work culture.

Respectful workplace behaviors are those that promote positivity and professionalism including, but not limited to:

- Using respectful and courteous language in all interactions;
- Questioning an individual's position on an issue politely and seeking to understand his/her position;
- Giving an individual direct, non-personal feedback and where appropriate, in a private setting;
- Not displaying a negative attitude and understanding how one's attitude can affect the work environment;
- Approaching conflict with maturity and a true desire for resolution rather than an opportunity to disagree;
- Respecting the chain of command and raising concerns to management at the appropriate time/place and with the appropriate tone; and
- Using discretion when communicating about issues that may be considered to be personal.

Inappropriate or unacceptable workplace behaviors are statements or acts that may negatively impact the work environment including, but not limited to:

- Using profane, abusive, vulgar, or harassing language;
- Berating or unnecessarily criticizing people in public;
- Gossiping;
- Deliberately embarrassing people;
- Using e-mail or text messages as a shield for rudeness or to further any other inappropriate or unacceptable workplace behaviors; and
- Addressing people in an unprofessional manner or tone.

All SC Works system staff and management have a responsibility to act in good faith towards maintaining a culture of inclusion, dignity, and understanding for all stakeholders in the workforce system. Disputes should be addressed using approaches that facilitate clear communication and respectful interactions that lead to mutually acceptable solutions. For disputes that cannot be resolved informally, the following mediation/resolution process shall be followed.

1. Should informal efforts fail, the authorized signatory official of the WIOA local grant recipient, or designee, and the executive director(s) of the partner(s), or designee(s), shall meet to mediate and resolve the situation.
2. Should these efforts fail, the situation shall be referred to the chair of the Local Workforce Development Board (LWDB) who shall designate an ad hoc committee to mediate with the parties involved to resolve the situation.

3. Should local efforts fail, and/or situations reoccur, either party may send a written request to the State Workforce Development Board (SWDB) regarding mediation.
4. The Chair will designate the Executive Committee or an ad hoc committee of at least five SWDB members to mediate with the parties involved and attempt to resolve the dispute.
5. The SWDB will hear the dispute and provide a recommendation within 60 days.
6. The parties will be notified in writing of the SWDB recommendation within 20 days.
