The Local Grant Recipient shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

B. Debarment, Suspension, and Other Responsibility Matters

1. The Local Grant Recipient agrees to comply with provisions of 41 U.S.C. §702 in providing a drug-free workplace.

1. Office of Management and Budget's final guidance on Administrative Requirements, Cost Principles, and Audit Requirements, 2 CFR Part 200, including the DOL exceptions codified at 2 CFR Part 2900, which supersede the requirements from OMB Circulars A-21, A-87, A-110, and A-

2. DEW financial manual; and
 3. any other guidance or technical assistance issued in writing by DEW.
- B. In the event of a conflict between such administrative requirements and cost principles and the terms and conditions of this Agreement, precedence shall be given to such administrative requirements and cost principles.
- C. Local Grant Recipient will ensure subrecipients conform to the administrative requirements and cost principles delineated in this section.

SECTION 7 – EXPENDITURE LIMITATIONS

- A. DEW is liable to Local Grant Recipient in an amount equal to, but not in excess of, the lesser of the amount of the grant or the actual allowable costs incurred by Local Grant Recipient in rendering services in the grant subject to the following provisions:
1. The limitations established within the Notice of Fund Authorization (NFA).
 2. DEW receives a timely and accurate certified statement of obligations and accrued expenditures per the monthly financial status report that is prepared in accordance with the requirements set forth by DEW.
 3. DEW shall not be liable for expenditures made in violation of the legal authorities cited in the grant, or any other law or regulation applicable to a specific service performed under a grant.
 4. DEW shall not be liable to Local Grant Recipient for costs incurred or services rendered by Local Grant Recipient or its subrecipients before commencement of a grant or after termination of a grant.
 5. DEW shall not be liable for any costs incurred by Local Grant Recipient or subrecipient in the performance of a grant which have not been billed to DEW within the grant or subgrant closeout period.
- B. Notwithstanding any other provision of a grant, the Parties understand and agree that DEW's obligations for costs incurred or services rendered to Local Grant Recipient under a grant are contingent upon receipt of adequate funds from federal sources. The grant is subject to revision upon actual receipt of funds from federal sources.
- C. Local Grant Recipient agrees that all funds provided through a grant, including any funds expended under subgrants or subcontracts, shall be expended for authorized activities, and that no expenditures will have as their objective the funding of sectarian worship, instruction, or proselytization. This provision shall not be interpreted to prohibit Local Grant Recipient from subcontracting for goods or services with any religious institution or entity. (See WIOA § 188(a)(3)).

- D. Local Grant Recipient must submit its approved Indirect Cost Rate or Acceptance of Certification of Indirect Costs to DEW upon receipt from its cognizant agency annually.

If DEW is the cognizant agency for the Local Grant Recipient, an Indirect Cost Rate proposal must be submitted to DEW no later than 180 days after the June 30 fiscal year end. Failure to do so may result in the disallowance of indirect costs. DEW may either disallow all indirect costs or establish a rate based upon audited historical data or such other data that have been furnished to DEW for indirect costs. (§200.415(b)(2))

- E. Local Grant Recipient understands and agrees that it shall repay to DEW any funds determined to be expended in violation of the terms and conditions of a grant subject to the following:
 - 1. Local Grant Recipient shall be liable for such funds and shall repay such funds even if a subrecipient made the improper expenditure.
 - 2. All repayments made by Local Grant Recipient must be from non-federal funds.
 - 3. Failure to repay such funds within sixty (60) calendar days after demand based on the Final Determination or conclusion of the dispute resolution process may result in DEW pursuing all actions legally available to recover the funds and/or additional costs.

SECTION 8 – OBLIGATION AND DEOBLIGATION OF FUNDS

The following provisions apply to the obligation and deobligation of funds under a grant:

- A. Local Grant Recipient acknowledges DEW shall deobligate funds for failure to fully expend funds within the specified grant period.
- B. DEW shall not be liable to Local Grant Recipient for any excess or erroneous funding obligations and retains the right to unilaterally deobligate such funds.
- C. In appropriate circumstances, DEW may obligate additional funds under a grant or deobligate funds previously obligated under a grant. DEW may recapture and reallocate local area Youth, Adult, and Dislocated Worker funds because of under-obligation of grant funds by a Local Grant Recipient in the first program year of availability. The amount to be recaptured from a local area is the amount by which the prior program year's unobligated balance of formula funds exceeds 20 percent of the year's allocation. This is generally referred to as the 80% obligation requirement. Any deobligation for not meeting the 80% requirement excludes administrative funds. The amount to be deobligated is separately determined for each funding stream. Funds deobligated based upon the 80% obligation requirement may be reallocated to local areas.
- D. DEW may approve the voluntary de-obligation and subsequent redistribution of Title I Adult, Youth, and Dislocated Worker Local Area formula funds allocated to each LWDA. LWDAs may voluntarily request that WIOA Title I Adult, Youth, and Dislocated Worker allocated formula funds be deobligated from one or more of their respective program allocations. WIOA funds made available as a result of a voluntary deobligation of funds may be provided to other local areas based upon a request for additional funds. Voluntarily deobligated funds retain their year-of-appropriation identity and must be accounted for and reported accordingly.

SECTION 9 – FINANCIAL REPORTING

- A. Local Grant Recipient shall have and require its subrecipients to have financial management systems that provide for accurate, current, and complete disclosure of the financial results of each grant, and records that adequately identify the source and application of funds for each grant and subcontract, including information pertaining to awards, authorizations, obligations, unobligated balances, assets (including cash), expenditures, income, and interest.
- B. According to the instructions specified in the Financial Management Manual and other DEW issuances, Local Grant Recipient shall submit an accurate monthly financial status report, including accrued expenditures and obligations; and a Closeout Package upon expiration of the grant.
- C. DEW is responsible for compliance with reporting requirements under the Federal Funding Accountability and Transparency Act of 2006 Public Law 109-282 as amended by section 6202 of Public Law 110-252 (“FFATA”). To facilitate FFATA reporting, the Local Grant Recipient must keep its information current on the Data Universal Numbering System (DUNS), as well as the System for Award Management (SAM).

SECTION 10 – BONDING OR INSURANCE REQUIREMENTS

In lieu of adequate insurance, Local Grant Recipient shall comply with the following bonding requirements:

- A. The funds provided by any grant shall be included in coverage provided by a fidelity bond that indemnifies DEW against loss arising from a fraudulent or dishonest act of Local Grant Recipient’s officers and employees holding positions of fiduciary trust.
- B. Local Grant Recipient must obtain a bond (or insurance) sufficient to cover the largest cumulative amount of all cash requests submitted by Local Grant Recipient on any given day or the cumulative amount of funds on hand at any given point. This determination shall be made based on cumulative amounts drawn by Local Grant Recipient during any consecutive three (3) day period for single or multiple funding sources.
- C. The bond shall be executed by a corporate surety or sureties holding certificates of authority, authorized to do business in South Carolina.
- D. If a surety upon a bond loses its authority to do business in this state, the bond is cancelled, reduced or otherwise amended; Local Grant Recipient shall immediately notify DEW and provide a replacement bond adequate to cover the terms and conditions of this section. Until such time that an adequate replacement bond is secured by the insurer and provided to DEW, no further disbursements shall be made to Local Grant Recipient.
- E. Local Grant Recipient shall be the insured entity. A copy of the bond or the Certificate of Insurance shall be forwarded by mail or email to:
 - E-mail wioafunds@dew.sc.gov
 - Mail address

 - S.C. DEW Finance
 - PO Box 995
 - Columbia, SC 29202

SECTION 11 – SPECIFIC ADDITIONAL PROVISIONS

- A. Local Grant Recipient acknowledges and accepts that special additional conditions may be unilaterally imposed by DEW in accordance with 2 CFR 200.207. Such conditions may be imposed if the Local Grant Recipient demonstrates one or more of the following conditions:
- a history of unsatisfactory performance;
 - financial instability;
 - management system(s) that do not meet standards prescribed in 2 CFR 200.300 et seq.;
 - noncompliance with terms and conditions of previous federal awards or subawards;
 - absence of responsibility disclosed as a result of ongoing evaluation of risk by DEW conducted in accordance with 2CFR 200.331(b);
 - reports and findings from audits performed under 2 CFR Subpart F – Audit Requirements of this part or the reports and findings of any other available audits; and
 - inability to effectively implement statutory, regulatory, or other requirements.
- B. If DEW determines that a grant award will be made or continued, special provisions shall address the condition identified and shall be included in the award. Such provisions may include but are not limited to:
- requiring payments on a reimbursement basis;
 - withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given period of performance;
 - requiring additional, more detailed financial reports;
 - requiring additional project monitoring;
 - requiring the Local Grant Recipient to obtain technical or management assistance and to implement corrective actions;
 - establishing additional prior approval.

DEW will notify the Local Grant Recipient regarding the nature and reason for implementing any of the above special provisions.

SECTION 12 – ENFORCEMENT

- A. Failure to comply with any provision of this agreement, assurances, certifications and representations and any applicable law, regulation, or policy may subject the Local Grant Recipient to additional enforcement actions that are determined by DEW to be appropriate under the circumstances. Such enforcement actions include but may not be limited to:
- requiring special award conditions in accordance with Section 11 of this agreement;
 - temporarily withholding cash payments pending correction of identified deficiencies, as identified in 2 CFR 200.338;
 - disallow cost (and, if appropriate, applicable matching credit) for any claim or action made that is not in compliance with this agreement and require appropriate repayment or financial adjustment;
 - suspending the grant award, in whole or in part, pending corrective action;
 - terminating the grant award, in whole or in part, in accordance with Section 12(B) of this agreement;
 - withholding further awards for the project or program;

- recommending to appropriate federal officials that suspension or debarment proceedings be initiated as authorized under 2 CFR 180;
 - taking other remedies that may be legally available. (See 2 CFR 200.338.)
- B. This agreement may be immediately terminated by DEW in whole or in part for cause or noncompliance whenever such non-compliance is material and in the best interest of the LWDA, DEW, or the U.S. Department of Labor. Such termination may be appealed by the subrecipient in accordance with provisions of Section 18 of this agreement.
- C. This agreement may be terminated in whole or in part by the Local Grant Recipient, in collaboration with the Chief Elected Official(s), for convenience or cause with ninety (90) calendar days advance written notice, whenever it determines that such termination is in its best interest or that of the LWDA. If the Local Grant Recipient seeks a partial termination, DEW reserves the right to determine that action to be unacceptable and may compel full termination.
- D. Regardless of which party initiates termination or the reasons for such termination, the Local Grant Recipient shall remain responsible for any reports, audits, or closeouts required in the agreement. The Local Grant Recipient is further not released from any responsibilities that arise out the following Sections:

In the event of suspected fraud, malfeasance, or program abuse, DEW staff shall obtain copies of original records. DEW has obligations under state and federal law to protect personally identifiable information.
- C. Such rights to access shall continue as long as Local Grant Recipient retains the records in accordance with federal requirements.
- D. DEW, and any of its authorized representatives, must have timely and reasonable access to all Local Grant Recipient records and personnel related to this Agreement for the purpose of inspection, investigation, monitoring, auditing, evaluation, interview, and discussion.
- E. If any records are held by a subrecipient, DEW shall not be responsible for the costs of reproducing copies of the subrecipient’s records.

Local Grant Recipient shall require any member of Local Grant Recipient, Local Grant Recipient’s staff, or Local Grant Recipient’s subrecipient staff having knowledge of suspected fraud, program abuse, possible illegal expenditures, unlawful activity, violations of law or DEW rules, policies, and procedures occurring under any grant awarded by DEW to Local Grant Recipient to report such information to DEW’s Division of Organizational Integrity no later than five (5) business days from the date of discovery of such act.
- B. Local Grant Recipient shall ensure that its employees, participants, and subrecipients are aware of the USDOL’s Office of Inspector General’s Fraud, Waste and Abuse Hotline, and ensure maximum exposure to all persons associated with or having an interest in the programs or services provided under this Agreement. The Hotline contact information is;

- E-mail hotline@oig.dol.gov
- Telephone 1-800-347-3756
- Mail address
 - Attention: Hotline

- C. Except as provided by law or court order, the Parties to this Agreement shall ensure the confidentiality of all reports of violations, as listed above. Neither Local Grant Recipient nor DEW shall retaliate against any person filing a report.
- D. Upon review of submitted reports, DEW's Organizational Integrity Division may elevate the report to the appropriate State or Federal authority, accept the case for investigation and/or action at the State level, or return the case to Local Grant Recipient, or Local Grant Recipient's subrecipient, for action including, but not limited to:
1. further investigation;
 2. referral for prosecution under the S.C. Code of Laws, or other State or Federal laws; and/or
 3. other corrective action, as may be appropriate.
- E. Local Grant Recipient shall ensure that DEW's Organizational Integrity Division is notified of any findings or corrective actions after all feasible avenues of investigation action have been taken.

SECTION 20 – CONFLICT OF INTEREST

- A. No personnel of Local Grant Recipient or subrecipient, and no public official who exercises any functions or responsibilities in connection with the review or approval of any work completed under the Agreement, shall, prior to completion of such work, voluntarily or involuntarily acquire any personal interest, direct or indirect, which is incompatible or in conflict with the discharge or fulfillment of his or her functions or responsibilities with respect to the completion of the work contemplated under this Agreement.
- B. Local Grant Recipient shall immediately disclose in writing to DEW's Workforce Programs Director any such person who prior to or after execution of this Agreement, acquires any personal interest involuntarily or voluntarily. Local Grant Recipient shall ensure any person who, prior to or after the execution of this Agreement, acquires any personal interest, involuntarily or voluntarily, shall immediately disclose his interest to DEW's Workforce Programs Director in writing. Thereafter, such person shall not participate in any action affecting the work under this Agreement unless DEW determines that, in light of the personal interest disclosed, his or her participation in any action would not be contrary to the public interest.
- C. Local Grant Recipient must also maintain two types of conflict of interest policies:

1. Employee Conflict of Interest – Local Grant Recipient must maintain written standards of conduct covering conflicts of interest and governing the performance of its employees engaged in the selection, award, and administration of contracts. No employee, officer, or agent of Local Grant Recipient may participate in the selection, award, or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest. A conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of Local Grant Recipient must neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of Local Grant Recipient.
 2. Organizational Conflict of Interest – If Local Grant Recipient has a parent, affiliate, or subsidiary organization that is not a state government, local government, or Indian tribe, Local Grant Recipient must also maintain written standards of conduct covering organizational conflicts of interest. Organizational conflicts of interest means that because of relationships with a parent company, affiliate, or subsidiary organization, Local Grant Recipient is unable or appears to be unable to be impartial in conducting a procurement action, under state or federal law, involving the related organization.
- D. A local Workforce Development Board member, or Board standing committee member must neither cast a vote on, nor participate in any decision-making capacity, on the provision of services by such member (or any organization which that member directly represents), nor on any matter which would provide any direct financial benefit to that member or a member of his immediate family. Neither membership on the Local Board, or a Board standing committee, nor the receipt of WIOA funds to provide training and related services, by itself, violates these conflict of interest provisions. Disclosure of a Board member's or standing committee member's conflict of interest must be presented in writing to the Board or be recorded in the written minutes of a Board or standing committee meeting.

SECTION 21 – PROPERTY

- D. Local Grant Recipient and subrecipients having property acquired under any grant or contract shall acquire and maintain property insurance reasonably sufficient to replace any damaged, lost or stolen property, for as long as the property is kept.

- F. Local Grant Recipient shall be responsible for the inventory and control of all computing devices (defined as machines used to acquire, store, analyze, process, and publish data and other information electronically, including accessories (or “peripherals”) for printing, transmitting and receiving, or storing electronic information) and equipment (having a useful life of more than one year and a per-unit acquisition cost which exceeds the lesser of the capitalization level established by the Local Grant Recipient for financial statement purposes, or \$5,000) purchased in whole or in part with funds received under any grant or contract and in the custody of Local Grant Recipient or its subrecipients. Local Grant Recipient shall conduct an annual physical inventory of such property and reconcile the inventory with the accounting records.
- G. Local Grant Recipient and a representative of DEW shall identify and prepare an annual property inventory of any DEW computing devices or equipment in use by Local Grant Recipient at the request of DEW. An authorized agent of Local Grant Recipient must acknowledge all DEW’s computing devices or equipment in use by Local Grant Recipient.

- A. This Agreement shall be construed, interpreted and applied in accordance with the laws of South Carolina.

- H. To the extent of any inconsistency between the provisions of clauses, attachments, and any other specifications or provisions which are a part of or incorporated by reference in this Agreement, the following order of precedence shall apply:
 - 1. First the provisions of clauses within this Agreement; then second, the provisions of any other part attached or incorporated by reference to this Agreement, unless otherwise in conflict with statute or Regulation.

SECTION 23 – CONFIDENTIALITY OF RECORDS
